*The 'Awarif-u'l-ma'arif* 'Umar ibn Muḥammad al-Suhrawardī, 1891      **Slandering the Jew** Susanna Drake, 2013-07-16  
As Christian leaders in the first through fifth centuries embraced ascetic interpretations of the Bible and practices of sexual renunciation sexual slander such as the accusations Paul leveled against wayward Gentiles in the New Testament played a pivotal role in the formation of early Christian identity In particular the imagined construct of the lascivious literal minded Jew served as a convenient foil to the chaste Christian ideal Susanna Drake examines representations of Jewish sexuality in early Christian writings that use accusations of carnality fleshliness bestiality and licentiousness as strategies to differentiate the spiritual Christian from the carnal Jew Church fathers such as Justin Martyr Hippolytus of Rome Origen of Alexandria and John Chrysostom portrayed Jewish men variously as dangerously hypersexual at times literally seducing virtuous Christians into heresy or as weak and effeminate unable to control bodily impulses or govern their wives As Drake shows these carnal caricatures served not only to emphasize religious difference between Christians and Jews but also to justify increased legal constraints and violent acts against Jews as the interests of Christian leaders began to dovetail with the interests of the empire Placing Christian representations of Jews at the root of the destruction of synagogues and mobbing of Jewish communities in the late fourth and early fifth centuries *Slandering the Jew* casts new light on the intersections of sexuality violence representation and religious identity      *Kabbala Denudata*, 1912      *The Self-Disclosure of God* William C. Chittick, 2015-03-26 *The Self Disclosure of God* offers the most detailed presentation to date in any Western language of the basic teachings of Islam s greatest mystical philosopher and theologian It represents a major step forward in making available to the Western reading public the enormous riches of Islamic teachings in the fields of cosmology mystical philosophy theology and spirituality *The Self Disclosure of God* continues the author s investigations of the world view of Ibn al Arab the greatest theoretician of Sufism and the seal of the Muhammadan saints The book is divided into three parts dealing with the relation between God and the cosmos the structure of the cosmos and the nature of the human soul A long introduction orients the reader and discusses a few of the difficulties faced by Ibn al Arab s interpreters Like Chittick s earlier work *The Sufi Path of Knowledge* this book is based primarily on Ibn al Arab s monumental work *al Fut t al Makk yah* *The Meccan Openings* More than one hundred complete chapters and subsections are translated not to mention shorter passages that help put the longer discussions in context There are detailed indices of sources Koranic verses and hadiths The book s index of technical terminology will be an indispensable reference for all those wishing to delve more deeply into the use of language in Islamic thought in general and Sufism in particular      *The Thinning of the Veil* Mary Bruce Wallace, 1919 *Fly*, 1912      *Household News*, 1895      **American Gas-light Journal and Chemical Repertory**, 1881      *Bulletin of Photography*, 1921      **The Pacific Monthly**, 1900      *The Veiled Suite* Shahid Ali Agha, 2009 Beginning with the impassioned never before published title poem here is the life s work of a beloved Kashmiri American poet Agha Shahid Ali

died in 2001 mourned by myriad lovers of poetry and devoted students This volume his shining legacy moves from playful early poems to themes of mourning and loss culminating in the ghazals of Call Me Ishmael Tonight The title poem appears in print for the first time from The Veiled Suite I wait for him to look straight into my eyes This is our only chance for magnificence If he carefully upon this hour of ice will let us almost completely crystallize tell me who but I could chill his dreaming night Where he turns what will not appear but my eyes Wherever he looks the sky is only eyes Whatever news he has it is of the sea     The Eternal People Lewis Lewisohn,1914     The Sacred Books and Early Literature of the East Charles Francis Horne,1917     **Bulletin of Photography** John Bartlett, Frank V. Chambers, Francis Stapleton Chambers,1914     The Speaker's Garland Phineas Garrett,1915     *The Gilded Age* Mark Twain, Charles Dudley Warner,1874 Two holograph leaves from the manuscript of The gilded age 1874 one in the hand of Mark Twain the other in the hand of Charles Dudley Warner     **Werner's Readings and Recitations: Hallowe'en festivities (c1903)** ,1903     **One Hundred Choice Selections** Charles Chalmers Shoemaker, Henry Gaines Hawn,1876     **The Speaker's Garland and Literary Bouquet** ,1876     **California the Wonderful** Edwin Markham,1914 While spending the summer on a Scottish island three cousins find themselves reenacting a strange legend involving one of their ancestors and the seals
