vibing to the perfect playlist NOTE This is an upper YA post apocalyptic series suited to older teens and adults This book contains mild swearing some innuendo a bit of drinking and moderate violence _____ What readers are saying about K C Cordell and the Post Apocalyptic DJ series As long as I have K C s sense of humor to mitigate it all I m loving the apocalypse It was a weird fast paced little snippet of some end of the world shenanigans I recommend this book to anyone who likes post apocalyptic stories with a little flair This story has tons of humor heart and edge of your seat action Snappy dialogue and strong chemistry between characters makes it stand out from the crowd Perfect short read for lazy afternoons and holiday travel Cordell is a fresh new talent to keep an eye on For something set in a post apocalyptic world full of monsters this novella was an absolute delight to read I loved the characters loved the world building and the action was superb Also had some great dialogue and good music Really well written I am really excited to read more from this author This is a fun dystopian series A light hearted romp through monster infested future earth Sebastian and Meza are great characters Particularly Sebastian who comes across as somewhat larger than life running a pirate radio station in the end times Will definitely continue with the series I can not wait for more in this series Yolks on You Box Set Jessica Payseur,2017-04-09 Mount Angus is a small Wisconsin town that would be boring if not for its many over the top holiday festivals Kiko Cooper is a local owner of the niche egg themed store Yolks on You Dominic Grady is a tourist who finds himself suddenly single while on vacation What starts with a bad break up quickly spirals into new romance intrigue and murder Neither Kiko nor Dom can resist the pull of a good mystery any more than they can resist the attraction they feel for each other Surprising everyone in town they make a cute couple and a decent investigative team too Which is a good thing because Mount Angus appears to have a small murder problem Contains the stories Shell Shocked When Dominic agreed to join his boyfriend for a weekend away at the annual Eggstravaganza in small town Wisconsin he was expecting a boring experience He was not expecting to discover his boyfriend had been cheating on him He was not expecting to fall for Kiko owner of the niche shop Yolks on You And he certainly wasn t expecting an exploding cow to drop him in the middle of a deadly mystery Egg Whites and Blue Kiko and Dom are still getting used to each other and with Mount Angus Knee High 4th of July Festival approaching they anticipate spending quality time together if only for a weekend But with the arrival of Kiko s ex and the discovery of a murdered body they are drawn into another small town mystery where dark secrets and a generous serving of danger could very well get them killed Deal with the Deviled Eggs After a chaos filled summer Kiko and Dom are ready to ease into a more laid back autumn and really put in some quality time together But with an old friend of Dom s crashing with them and causing tension and a sudden spree of murders this could either be a Halloween for Kiko and Dom to remember or their very last Egg the Halls When local artist Cat asks Kiko and Dom to solve her vandalism problem the two are only too happy for the distraction from holiday visitors But when the property damage escalates to threats on Kiko s life things get more serious than they d hoped and if they can t get to the bottom of the family drama fast Kiko might never be

home for the holidays again Eggs and Kisses The annual Be Mount Valentine Heartstival has the whole town of Mount Angus on the lookout for relationship drama and this year it seems everyone s most interested in whether Kiko and Dom are going to tie the knot When a body is found rolled in a rug though it s up to the couple to unravel a deadly mystery before the celebration ends in more than just bruised egos and broken hearts [A Dog that Understands Human Language](#) Dheeraj Naik ,2026-02-05 Buddy is a simple street dog struggling to survive in a busy world He has no home no owner and no voice that humans can understand His life is filled with hunger danger and quiet hope until one strange night changes everything After that night Buddy gains an unbelievable ability He can understand human language He hears words of love and cruelty secrets spoken in silence and emotions hidden behind everyday conversations Though Buddy cannot speak he listens carefully and acts bravely Through loyalty courage and silent choices he protects the weak comforts the lonely and discovers the true nature of human hearts As Buddy forms a deep bond with a lonely old man he learns that understanding words is not the greatest gift The greatest gift is staying when it matters most [A Dog That Understands Human Language](#) is a heart touching story about loyalty kindness and the powerful connection between humans and animals Written in simple easy English this story is perfect for readers of all ages who believe that love does not need words [Egg the Halls](#) Jessica Payseur,2016-12-10 With the horrors of Halloween behind them Kiko and Dom turn their puzzle solving skills to surviving the holiday season Dom hasn t had a proper Christmas in years and Kiko s sister visiting makes him feel almost like family until his brother Devin decides to show up and throw his disapproval into the mix Just when it seems like they have enough to deal with at home local artist Cat asks them to solve her vandalism problem Still shaken from their last mystery Kiko and Dom only agree to help her due to the lack of murder But when the property damage escalates and Kiko begins receiving threatening letters this harmless little problem turns deadlier than anyone thought And if they can t get to the bottom of the family drama fast enough Kiko might never be home for the holidays again [Understanding Abilities, Disabilities, and Capabilities](#) Margaret F. Buddy System Geoffrey Greif,2009 Much has been made of the complex social arrangements that girls and women navigate but little scholarly or popular attention has focused on what friendship means to men Drawing on in depth interviews with nearly 400 men therapist and researcher Geoffrey L Greif takes readers on a guided tour of male friendships explaining what makes them work why they are vital to the health of individuals and communities and how to build the kinds of friendships that can lead to longer and happier lives Another 120 conversations with women help map the differences in what men and women seek from friendships and what if anything men can learn from women s relationships The guiding feature of the book is Greif s typology of male friendships he dispels the myth that men don t have friends showing that men have must trust just and rust friends A must friend is the best friend a man absolutely must call with earthshaking news A trust friend is liked and trusted but not necessarily held as close as a must friend Just friends are casual acquaintances while rust friends have a long history together and can drift in and out of each other s lives essentially picking up where they last left off Understanding the role each of these types of friends play across men s lives reveals fascinating developmental patterns such as how men cope with stress and conflict and how they make and maintain friendships and how their friends keep them active and happy Through the lively words of men themselves and detailed profiles of men from their twenties to their nineties readers may be surprised to find what friendships offer men as well as their families and communities and are sure to learn what makes their own relationships tick
