

Understanding Eternal Security: Once Saved, Always Saved!

By Brent Knox

At Hometown Church, we have always taught the Biblical truth that all genuine believers in Christ are eternally secure. This doctrine of "eternal security" is also known as the doctrine of the "perseverance of the saints". This doctrine states that those individuals who are truly born again by the Spirit of God will be kept by God and will, by God's power, persevere in faith their whole lives. Therefore, we as believers in Christ are eternally secure—we have total assurance that we will be in heaven when we die.

Why is the issue of eternal security such an important doctrine? It relates to our joy in living and our confidence in God. There are so many Christians who suffer needlessly because they lack assurance of their salvation. They lack the confidence that their sins are completely forgiven and their place in heaven is eternally secure. Their lives are filled with doubt, guilt, fear, anxiety, and intense self-introspection. There is a better way to live. That is why God wants us to know for certain that we have eternal life. In fact, this is one of the reasons why the book of 1st John was written.

I write these things to you who believe in the name of the Son of God so that you may know that you have eternal life. 1 John 5:13

If God is loving, then He would want us to know with certainty, before we enter eternity, whether or not we have eternal life! Imagine being on a plane flight from New York City to London. About half way through the flight, the pilot announces over the PA system, "Ladies and gentlemen, I have good news and I have bad news." First the bad news. There was a slight oversight that occurred before we took off. Someone forgot to refuel the airplane. According to our calculations, the plane will run out of fuel and plunge into the ocean shortly before London. There will be no survivors. But the good news is that this is a very fine plane and everything on the plane is now free! You can enjoy in-flight movies for free! Order any beverage for free! Ask the attendants for anything! And they will provide the best comfort for you as they can during the last few hours of your life." The only person who will really be able to enjoy the next few hours will be the person with a parachute who can bail out before the plane crashes. Why? He knows that his life will continue on! In the same way, knowing with absolute assurance that we have eternal life adds greatly to our joy!

Let's help our people "know" that they have eternal life and that there is nothing they do that can rip that away!

Reasons for Believing in Eternal Security

1. The undeserving grace of God.

It is by grace we are saved.

For it is by grace you have been saved, through faith—and this not from yourselves, it is the gift of God—not by works, so that no one can boast. Ephesians 2:8-9

Eternal life is freely given as a gift—not as a result of any human effort. If we admit that human merit cannot save us how can we say that human merit can
