Up The Devils Belly:

Up the Devil's Belly Rhett Devane, 2005 **The Devil's Blade** Mark Alder, 2020-04-02 The story of Julie D Aubigny is well known Her tumultuous childhood her powerful lovers her celebrated voice Connected to most of the nobility of 17th century Paris feted for her performance unwilling to live by the rules of her society she took female lovers fought duels with noblemen and fled from city to country and back again But now the real truth can be told She also made a deal with the devil He gave her no powers or help but he kept her alive for only one reason To take revenge **The Writings of Lafcadio Hearn** Lafcadio Hearn, 1922 *Two Years in the French West Indies* Lafcadio Hearn, 1890 Lafcadio Hearn 1850 1904 was an international writer best known for his books about Japan Born on the Greek island of Lefkada the son of an Irish father and a Greek mother he was raised in England Ireland and France and immigrated to the United States at age 19 He lived first in Cincinnati where he landed a job as a journalist and then moved to New Orleans in 1877 where he wrote for several newspapers His impressionistic writings about the city caught the eye of editors at Harper's Magazine which in 1887 sent Hearn to the West Indies as a correspondent The first part of this book is an account of Hearn's midsummer trip to the tropics which took him from New York to the Lesser Antilles with stops in Saint Kitts Dominica Martinique Barbados Guyana Trinidad Grenada and Saint Lucia Hearn was captivated by the French ruled island of Martinique and its people where he came to live for two years The second part of the book consists of 14 sketches of the island all with French or Creole titles The book includes photographs drawings and an appendix that discusses the music of Martinique and reproduces the melody and lyrics of several Creole songs In 1890 the year this work was published Hearn traveled to Japan where he eventually settled married a Japanese woman and became a naturalized Japanese citizen *Two Years in the French West Indies* Lafcadio Hearn, 2025-08-18 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Lafcadio Hearn: American Writings (LOA #190)* Lafcadio Hearn, 2018-08-14 Featuring a wide range of writings from Hearn's time in America this collection is a stunning showcase of the Greek Irish author's uniquely decadent literary flair and keen eye for observation A translator of Flaubert and Gautier Lafcadio Hearn was the master of a gaudy and sometimes self consciously decadent literary style but he was also a tough minded and keenly observant reporter with an eye for the offbeat the sensual and occasionally the gruesome The writings of his American years collected in this Library of America volume on subjects as wide ranging as comparative folklore the history of musical instruments French literary avant gardes and New Orleans voodoo reveal an omnivorous curiosity and an always eclectic sensibility Some Chinese Ghosts 1887 a stylized retelling of ancient legends foreshadows Hearn's later fascination with Asian themes The exquisitely crafted novels Chita 1889 about the devastation wrought by a Louisiana hurricane and Youma 1890 about a slave rebellion in Martinique epitomize his writing at its most luxuriantly romantic alert to the interactions of diverse

cultures and suffused with imagistic splendor His extraordinary travel book *Two Years in the French West Indies* 1890 presented here with the many illustrations from its first edition provides a richly impressionistic account of his long stay on Martinique and other Caribbean islands Also included are personal letters as well as more than a dozen examples of Hearn's journalism from the 1870s and 1880s depicting vividly a raucous African American nightclub on the Cincinnati waterfront an execution scenes of Mardi Gras and the New Orleans French Quarter an uncharted village of Filipino fishermen in a remote Louisiana bayou
