Monthly Air Force List Great Britain. Air Ministry, 1949

The Air Mobility Workhorse Slip Case Bill Kourelakos, 2025-09-30 Air Mobility Workhorse recounts the operational history of the Lockheed C 130 Hercules in Royal Australian Air Force RAAF service spanning the A E and H models from 1958 to 2012 leaving the current J model to be covered in the future The C 130 was the catalyst for a transformational shift from Second World War technology to leading edge aircraft systems in RAAF air mobility and the broader Air Force The Hercules has become iconic in Australian culture as the first thing viewers often see of news reports when Australia reaches out to the rest of the world to offer aid in times of disaster The author's intimate knowledge of the aircraft along with his extensive service on them brings an insight that only someone who has flown them in testing times can bring His extensive connections within the Hercules community have brought their stories from the inside to give readers a rare glimpse of service in military aviation It is a detailed and balanced reflection of what the mighty Hercules did for Australia and how it affected those who flew it maintained it supported it flew as passengers or benefited from the missions it conducted This aircraft was truly Australia's Air Mobility Workhorse Two full colour hardback volumes limited edition presented in a slipcase

Cold War Warriors Ian Pearson, 2021-09-01 Cold War Warriors tells the little known story of the operations by the Royal Australian Air Force's P 3 Orions during the latter years of the Cold War The aircraft's largely low profile missions usually flown far from their base were often shrouded by confidentiality Now access to declassified documents has allowed this story to be told From the lead up to their delivery in 1968 to the end of the Cold War in 1991 from the intrigues associated with the procurement of the aircraft and subsequent upgrades to perilous moments

experienced by the aircraft and their crews while conducting operations and from triumphs to tragedies Cold War Warriors documents the P 3 s service in the RAAF in the context of the unfolding domestic and international events that shaped the aircraft s evolving missions As well as being a story of the RAAF Orions and their growing capabilities Cold War Warriors is also the story of the crews who flew the aircraft Using their words Cold War Warriors faithfully describes a number of incidents both on the ground and in the air to provide a sense of the enormous breadth of service the P 3 Orion has provided to the Royal Australian Air Force to Australia and to our allies *New Annual Army List, Militia List, and Indian Civil Service List ...* ,1897

The new army list, by H.G. Hart [afterw.] Hart's army list. [Quarterly] Henry George Hart,1878 **A Goldstar Century** Ian Hall,2015-10-30 Number 31 Squadron RAF will celebrate its centenary in 2015 a pivotal milestone for a Squadron engaged at the forefront of military activity for the past 100 years With a number of events lined up to celebrate this important anniversary former Commanding Officer of the Squadron Ian Hall has set himself the ambitious task of penning the Squadron s entire history from formation right up to current day activities This lively and informative narrative is interspersed with first hand accounts taken from interviews conducted with the men who made up the Squadron The first twenty five years of the Squadron s history were spent on India s North West Frontier hence the Squadron motto First in the Indian Skies During the Second World War it was occupied mainly in the Middle East and North Africa before moving to the Burma theatre for the remainder of the war Upon returning to the UK in 1948 the Squadron performed communications duties until in 1955 it joined the Cold War in West Germany operating successively in reconnaissance and strike attack roles Operational deployment in recent years has seen the Squadron deployed during the Gulf War the Iraq War in Kosovo and Afghanistan With troops pulling out of Afghanistan in 2014 31 Squadron have now completed a circular history and there seems no better time than now to commit it to print Each and every facet of this long and varied history is relayed in a style that serves to provide an account that is at once celebratory and objective when it comes to recording not only the facts of the various deployments but also the personal stories of the men behind the headlines *The New Annual Army List, Militia List, and Yeomanry Cavalry List* ,1879 *Sainik Samachar* ,1970
