Looking upon the Heart Pete Carlson, MFT, 2020-06-09 BY LOOKING UPON THE HEART WE CAN ALL BE CHANGED IN AN INSTANT AND LIVE LIFE MORE ABUNDANTLY The mystery of the biblical heart is unveiled by integrating psychology and Scripture to delineate the five dispositions of the heart the choice of which we morph into could either enhance or hinder the attainment of abundant life in Christ Throughout time people have been searching for the meaning of life and the way to find fulfillment It is the intention of this book to show how by Looking upon the Heart where Jesus may live we can actualize healing and holiness at any moment in time In this in depth Christian psychology and self help textbook the reader is enlightened as to what good and bad choices we can make about our character and personality the goal is to consistently be transformed morphed out of the unhealthy dispositions of the heart the broken heart and the hard heart into healthier ones the open heart sweet heart and the brave heart Our first basic premise is that we all believers and unbelievers alike can and do spontaneously morph continually in and out of various dispositions character states and personality styles and so are capable of immediate transformation The second premise is that grace must prevail we all would be hypocrites if we judged because we are all morphing having our good moments and bad at any particular moment in real time Ultimately the overall perspective is that the heart should be the most important human entity known to man The heart is the primary gatekeeper and decision maker and therefore the overall determiner of

the whole person's behavior, personal growth, and spiritual maturity. We are to embrace a complete understanding of the biblical heart, its five dispositions, in order to overcome psychological, behavioral, and relational dysfunction and sin. Only then can we successfully and consistently experience oneness with God through Jesus, living and actively operating within our hearts. As a result of *Looking upon the Heart*, the Lord reigns and leads us to a life of victory in Jesus. *The Ramayan of Valmiki Translated Into English Verse by Ralph T.H. Griffith ... Valmiki, 1895* **Pray for a Brave Heart** Helen MacInnes, 1977 **Looking upon the Heart** Pete Carlson, LMFT, Carlson Counseling, Psychotherapy, 2026-03-14

PETE CARLSON, LMFT, CARLSON COUNSELING AND PSYCHOTHERAPY: Be Smart with Your Heart. Keep your heart with all diligence for out of it spring the issues of life. Proverbs 4:23. This is a textbook and manual to help you be smart with your heart, the spiritual heart. In this second groundbreaking volume of *Looking Upon the Heart*, you will be embarking on an intensive, multi-disciplinary research expedition into understanding the invisible realm of the biblical heart. Through integrating the disciplines of brain biology, psychology, and Christian theology, you will see how to use your heart more effectively, see how it interacts with your body, soul, and spirit. Intelligent usage of the heart is about applying scientific discoveries regarding the frontal lobes of the brain and combining these with the knowledge from scriptures and psychology. Thus, when properly utilized and filled with the Holy Spirit, the heart becomes for you an executive decision maker and gatekeeper; you are enabled to masterfully deal with all that impinges upon it and to deal with any dysfunction, sin, and suffering. It takes knowing how to heal the broken and the hard heart. Don't you think if you knew better, you would do better? So come explore and learn how to use your brain to be smart with your heart. See *How Science Helps Prove the Existence of the Biblical Heart*. Presented here is a Christian psychology and science-based theory called heart morphology. In reading about this, you will discover a precise definition of the spiritual heart and the skills necessary to attain maximum benefits from all its extraordinary functions. In this book, you will find scientific proof of the existence and functionality of the biblical heart. Findings from brain research on the frontal lobes of the brain are cross-referenced with scriptures about the heart. Everything that science has discovered about the functioning of this part of the brain is complementary with the nearly eight hundred references to the functions of the spiritual heart described in the Bible. *Be Transformed in Your Character*. The heart is about who you are now in real time and who you are becoming. It is where truth can set you free and transform you out of all the fear, betrayal, depression, anxiety, guilt, anger, or hurt you may experience. But to do this, we must think differently. The hardest thing for human beings to do is to think a new thought, not just any thought, but the right thought revealed by the Holy Spirit and consistent with the Word of God. The heart processes all information coming in and out of you. As a Christian therapist, Pete Carlson, LMFT, knows that you, even if you are not a believer in Jesus, can benefit by learning how to operate your frontal lobes more effectively. If you know what the heart is, how it functions, and how to use it, you can get an upgrade in your character, personality, and walk in Christ. Through faith, you empower your heart to consistently morph into healthy

dispositions of the heart even into the likeness and character of Christ So you are encouraged to use scientific discoveries to help you through your voyage in life and to call upon Jesus to take the wheel of your ship at the helm of your heart Bon voyage Website CarlsonCounseling.com Email PeteCarlsonCounseling@yahoo.com YouTube channel Looking Upon the Heart
