[The Trustee's Legal Companion](#) Liza Hanks, Carol Elias Zolla, 2023-03-10 You're the trustee. Now what? Living trusts are popular estate planning tools, but when you're chosen to serve as a trustee, you might wonder where to begin. *The Trustee's Legal Companion* has everything you need to get organized, get started, and get the job done. You'll learn how to decide whether to take on the job of trustee, set up ongoing trusts for surviving spouses, children, or beneficiaries with special needs, invest trust assets, get help from lawyers, financial planners, and other experts, handle taxes, and prepare accountings, work effectively with beneficiaries, and distribute trust property. The authors, attorneys who have helped many a bewildered trustee, show you step by step how to administer a living trust with confidence. [Make Your Own Living Trust](#) Denis Clifford, 2021-03-30 Save your family time, money, and headaches. Unlike a will, a living trust lets your family bypass probate court, which saves everyone money, delay, and hassle. Whether you are single or part of a couple, *Make Your Own Living Trust* can help you make a living trust that's valid in your state. Use this book to decide whether a living trust is right for your family, keep control over trust property while you live, appoint someone to manage trust property if needed, name beneficiaries to inherit your assets, set up property management for young beneficiaries, and learn how to transfer all types of assets to your trust, including real estate, stocks, jewelry, art, or business assets. With Downloadable Forms completely updated, this new edition provides all the forms and worksheets you need to create an individual or shared living trust and a basic will available for download. Details inside. The legal forms in this book are not valid in Louisiana. **The Living Trust Handbook**, 1991 *8 Living Trust Forms* Peerless Legal, Sanket Mistry, 2014-01-11 One of the fastest ways to transfer property after your death is through a living trust because trusts are not required to go through probate court. In addition to saving time and avoiding probate costs, a trust lets you control who will receive property after you die. *8 Living Trust Forms* helps you create your own living trust forms to meet your needs. You'll discover how to avoid probate, distribute property quickly, keep property distributions private, provide an alternative to creating a will, ensure your possessions will be distributed as you wish, reduce the potential for family conflicts, and much more. For many people, a will is their first choice for passing on property to their loved ones, but it's not the only document that should be considered. Both a will and a living trust contain your inheritance instructions, meaning they state who gets what property, when they will get it, and how they will get it. To create a living trust, a lawyer is not required or necessary, especially for simple living trusts. All you really need is a little bit of intelligence and the right information. A living trust can be an important part, and in some cases, the most important part, of your estate. A living trust can help ensure that your assets are managed according to your wishes, even if you become unable to manage the trusts yourself. Sample Living Trust Forms Include: Single Person Living Trust, Married Living Trust, Married AB Living Trust, Florida Witness Statement for Living Trust, Assignment of Property to a Living Trust, Affidavit of Assumption of Duties by Successor

[Living Trust Handbook](#) Reitan & Ingman,1991 [The Living Trust](#) Henry W. Abts,1989 is unquestionably the layman s most nearly complete source on living trusts Recommended reading for anyone who wants to maximize his net estate left to heirs speed asset distribution after death avoid will challenges minimize estate costs and maintain privacy Robert Bruss Esq and Nationally Syndicated Real Estate Columnist Chicago Tribune presents in clear concise and readable language what every person needs to know I heartily recommend it as required reading for every caring husband wife parent all those with an estate to pass along to heirs Byron Countryman Esq Countryman and McDaniel Attorneys at Law Los Angeles Why The Living Trust Is So Important You may think your heirs have been well provided for but did you know that Your loved ones may have to wait more than two years before receiving a penny from your estate even though you have left a legally valid will Costs of probating your will may eat up more than 10 percent of your estate money your heirs will never receive The specific

instructions of your bequest may be contested or changed completely even though clearly spelled out in your will. Once a will is probated it becomes a matter of public record anyone can access the information just by going to the courthouse and asking for your file. A will cannot help you in life. If you become incapacitated or your judgment comes into question it becomes a matter for the courts to decide and is again a very public process. A Living Trust is a simple inexpensive legal alternative that eliminates the costs and delays of probate and ensures that your loved ones will receive their inheritance promptly and exactly as you intended. It is also the only estate planning tool that allows you to plan for your own incapacity or for avoiding competency hearings. When *The Living Trust* was published in 1989 it quickly became the bible on how to avoid probate. This updated edition includes information on the new IRA Q TIP Trust, the Spousal and Family Support Trust and the Family Limited Partnership. In addition there is new material on the Charitable Remainder Trust to preserve a large estate, the Gift Trust to reduce the impact of inflation, protection for the handicapped and a checklist of more than 150 must provisions that separate a good Living Trust from a bad one. Also included is up to date information about trusts for unmarried couples, placing assets in your trust, what should never be placed in your trust and much much more. A nationally recognized authority on Living Trusts, Henry W. Abts III is chairman and founder of The Estate Plan, the nation's oldest and largest Living Trust production corporation responsible for creating more than 25,000 Living Trusts. A graduate of the University of Southern California, Abts holds a master's degree from the Stanford University Graduate School of Business.
