The Love-Powered Diet Victoria Moran,
Reality Of A Fantasy Called Love Rudra Dave, 2022-04-15 In the fast paced world we live in forming and sustaining relationships is difficult During the COVID 19 Pandemic there has been a 35% spike in divorce cases all over the world due to the lock down Having a blissful romance is not an easy task these days Love has become text messages and phone calls Love has become Instagram posts Snapchat and staring at a screen Love has become more about hook ups and swiping right and left on dating apps instead of having an emotional depth and commitment in relationships Love these days has become crawling back to a person who has hurt manipulated and lied to you People are so empty and lonely that they mistake mere attention for love and eventually get their heart broken Love and heartbreak have become interchangeable words Many people are scared to fall in love Why What are the issues How to prevent and successfully deal with major conflicts in your relationship These are some of the questions which this book will answer and will be a one stop solution to most of your relationship and personal conflicts and dilemmas There are numerous books and movies about love but the reality today is completely different Love is twisted complicated and unpredictable but is also ecstatic heavenly and satisfying It all depends on how one handles it Most people commit grave errors in handling love resulting in failed relationships heartbreaks

depression and worse Why does this happen This is because people are either unaware or they are habituated to falling in love with fantasies and their notions of love and relationships are far away from reality **In the Mind of Something Greater** Lisa C. Hynes,2014-09-10 An unseen world of magic lies behind our thoughts and emotions The words inside this book explain how to look within your mind to find an unseen world that only you hold Do you dare to look into your thoughts Do you dare to find a world that brings you a voice Do you sit inside the corner of your mind Take a journey with this book and see what you will find There is a voice that speaks to you if you listen It will tell you who you are inside It will bring you happiness and ultimately love It will pull your world around and change you inside Look into the place that lies between your thoughts and emotions It will shine through your desperation You will be upon your knees when you find a world that touches your heart and bursts out for everyone to see The sun will shine just for you and the magic will appear in your day Do you dare to see how In the Mind of Something Greater can work for you *Writing for You, for Me, Writing for the Love of Poetry* A.
