by almost every country that had an army in the war and each laid a body to rest amid an outpouring of national grief in London's Westminster Abbey Paris's Arc de Triomphe Rome's Victor Emmanuel Monument and for the United States Arlington National Cemetery in Virginia Reviewers have praised Neil Hanson's account of the plight of the sailors in *The Confident Hope of a Miracle* a history of the Spanish Armada his last book *In Unknown Soldiers* he once again offers an unflinching yet compassionate account of the reality of battle on the front lines He focuses on three soldiers an American an Englishman and a German and narrates their war experiences through their diaries and letters Hanson describes how each man endured the nearly unbearable conditions in the trenches and in the air and relates what is known about their deaths all three died on the battlefields of the Somme within gunshot sound of one another He delves into their familial ties the ideals they expressed in their letters and he explains how the death of one the American pilot George Seibold was instrumental in the creation of the Gold Star Mothers an organization caring for bereaved mothers wives and families that is still active today Hanson animates and brings to life the combatants who perished without a trace and shows how the Western world arrived at the now time honored way of mourning and paying tribute to all those who die in war
