Zelizer, 2009-02-09 In their personal lives people consider it essential to separate economics and intimacy We have for example a long standing taboo against workplace romance while we see marital love as different from prostitution because it is not a fundamentally financial exchange In *The Purchase of Intimacy* Viviana Zelizer mounts a provocative challenge to this view Getting to the heart of one of life s greatest taboos she shows how we all use economic activity to create maintain and renegotiate important ties especially intimate ties to other people In everyday life we invest intense effort and worry to strike the right balance For example when a wife s income equals or surpasses her husband s how much more time should the man devote to household chores or child care Sometimes legal disputes arise Should the surviving partner in a same sex relationship have received compensation for a partner s death as a result of 9 11 Through a host of compelling examples Zelizer shows us why price is central to three key areas of intimacy sexually tinged relations health care by family members friends and professionals and household economics She draws both on research and materials ranging from reports on compensation to survivors of 9 11 victims to financial management Web sites and advice books for same sex couples From the bedroom to the courtroom *The Purchase of Intimacy* opens a fascinating new window on the inner workings of the economic processes that pervade our private lives **At the Intersection** Thomas Rosteck, 1999-01-01 This provocative volume is based on the premise that cultural studies and rhetorical studies address specific and parallel questions about culture critical practice and interpretation and that opening up a dialogue between them can enhance both and provide a more complete understanding of society Noted scholars across a variety of disciplines examine overlaps and contradictions between these approaches as well as critical and pedagogical issues that surface with their linkage **Forthcoming Books** Rose Arny, 2001-08 *The Unofficial Encyclopedia of the Rock and Roll Hall of Fame* Nick Talevski, 1998-06-25 A historical overview of the development of the Rock and Roll Hall of Fame including career biographies of all the inductees Great Lakes and Midwest Catalog Partners Book Distributing, 2007 **Report**, 1978 *The Cumulative Book Index*, 1998 A world list of books in the English language *Chicago '96 Fodor's*, Fodor's Travel Publications, Inc.
