Unpretentious Pose:

The Unpretentious Pose Marguerite Davenport, Eugene Omar Goldbeck, 1981 The American-Scandinavian Review Henry Goddard Leach, 1919 Vol 14 no 5 May 1926 is special issue devoted to John Ericsson **The American-Scandinavian review**, 1919 **Robert Rauschenberg and Surrealism** Gavin Parkinson, 2023-03-23 The art of Robert Rauschenberg 1925 2008 is usually viewed as quite distinct from Surrealism a movement which the artist himself displayed some hostility towards However Rauschenberg had a very positive reception among Surrealists particularly across the period 1959 69 In the face of Rauschenberg's avowals of his own literalism and insistence on his art as facts this book gathers generous evidence of the poetic metaphorical allusive associative and connotative dimensions of the artist's oeuvre as identified by Surrealists and thus extrapolates new readings from Rauschenberg's key works on that basis By viewing Rauschenberg's art against the expansion of the cultural influence of the United States in Europe in the period after the Second World War and the increasingly politicized activities of the Surrealists in the era of the Algerian War of Independence 1954 62 Robert Rauschenberg and Surrealism shows how poetic inference of the artist's work was turned towards political interpretation By analysing Rauschenberg's art in the context of Surrealism and drawing from it new interpretations and perspectives this volume simultaneously situates the Surrealist movement in 1960s American art criticism and history

A Paradise of Sparrows Louisa Chan, 2024-08-20 What an ingenious integration of poetry and paintings Louisa has provided a unique reader experience of poems packed with strong emotions and paintings that act like camera lenses capturing what usually eludes our attention Her poems provoke deep thoughts and feelings about the extremities in human nature compassion for oneself and others appreciation of time and nature and understanding of life and death issues Here in her own words are her intentions for this publication To me poems are paintings put into words My poems are laden with imageries and metaphors for the original and creative imaginations of my readers My paintings portray some of the many possible imageries that my poems might engender but as the audience my readers are welcome to interpret my poems in their own unique ways and generate their own mental paintings creatively Each reader has a right to their own deconstruction of each of my poems because each person has a different background and set of values Instead of dictating a fixed scheme of meanings I am very happy to see that each reader takes something different from my poems in a self healing and gratifying way
