Unreasonable Behaviour An Autobiography:

Unreasonable Behaviour Don McCullin, 2010-09-30 He has known all forms of fear he is an expert in it He has come back from God knows how many brinks all different His experience in a Ugandan prison alone would be enough to unhinge another man like myself as a matter of fact for good He has been forfeit more times than he can remember he says But he is not bragging Talking this way about death and risk he seems to be implying quite consciously that by testing his luck each time he is testing his Maker's indulgence John le Carré McCullin is required reading if you want to know what real journalism is all about The Times From the opening there is hardly a dull sentence his prose is so lively and uninhibited An excellent book Sunday Telegraph Unsparing reminiscences that effectively combine the bittersweet life of a world class photojournalist with a generous selection of his haunting lifework A genuinely affecting memoir that reckons the cost and loss involved in making one's way on the cutting edge of conflict Kirkus Reviews If this was just a book of McCullin's war photographs it would be valuable enough But it is much more Sunday Correspondent *Unreasonable Behavior* Don McCullin, 2017-06-13 Unsparing reminiscences that effectively combine the bittersweet life of a world class photojournalist with a generous selection of his haunting lifework Kirkus Reviews Revised and updated after twenty five years *Unreasonable Behavior* traces the life and career of one of the top photojournalists of the twentieth century and beyond Born in London in 1935 Don McCullin worked as a photographer's assistant in the RAF during the Suez Crisis His early association with a North London gang led to the first publication of his pictures As an overseas correspondent for the Sunday Times Magazine beginning in 1966 McCullin soon became a new kind of hero taking a generation of readers beyond the insularity of post war domestic life through the lens of his Nikon camera He captured the realities of war in Biafra the Congo Vietnam Cambodia and elsewhere and the human tragedy of famine and cholera on the Bangladesh border and later the AIDS epidemic in Sub Saharan Africa Already in 1968 when the Beatles wanted new press shots they asked for Don McCullin Harrowing and poignant *Unreasonable Behavior* is an extraordinary account of a witness who survived to tell his tale and triumphed over the memories that could have destroyed him Don McCullin has been forfeit more times than he can remember he says But he is not bragging Talking this way about death and risk he seems to be implying quite consciously that by testing his luck each time he is testing his Maker's indulgence John le Carré McCullin handles much of the material culled from his war experiences like a seasoned thriller writer His dialogue is convincing and sharp The Observer **Unreasonable behaviour.
