## **Unsettled Multiculturalisms:**

**Un/settled Multiculturalisms** Barnor Hesse, 2000-11 This anthology reconsiders the social political and intellectual meanings of multiculturalism in the West particularly Britain It introduces a conceptual language for thinking about multiculturalism and casts the surrounding debates in the contexts of globalization post colonialism and what Barnor Hesse calls multicultural transruptions The contributors consider a variety of diaspora formations ranging from the Muslim Umma and Black Britain to the Chinese foodscape and Transatlantic Black sporting performances They examine the transnational impact on how cultural differences are lived and pose questions for how we participate in and think about Western societies The material on cultural entanglements focuses on media constructions of the Asian Gang in Britain gender and sexuality in ragga music and the ambivalence of identities in post apartheid South Africa

**Everyday Multiculturalism and 'Hidden' Hate** Stevie-Jade Hardy, 2017-02-20 This book examines the lived reality of everyday multiculturalism and the ways that young people make sense of the diverse world around them Currently we know very little about how multiculturalism shapes our lives our interactions and our identity This is especially pertinent for young people How do young people from largely white disadvantaged backgrounds interpret multiculturalism How do they engage with people from different minority ethnic and faith communities How do they negotiate the challenges that arise within ever diversifying environments Drawing on empirical research Stevie Jade Hardy uncovers the fears and tensions that both undermine and are caused by doing multiculturalism In doing so she shines a light on the hidden phenomenon of youth hate crime perpetration This book will be of particular interest to scholars of criminology sociology and cultural studies as well as to professionals and policy makers working in the fields of diversity and hate crime

**Precarious International Multicultural Education: Hegemony, Dissent and Rising Alternatives** Handel Kashope Wright, Michael Singh, Richard Race, 2012-09-22 Multiculturalism and multicultural education are at a paradoxical moment There is work that continues as if the multicultural hegemony was still intact and on the other hand work articulated as if multiculturalism was decidedly passe The essays in this collection will be of considerable interest to academics policy makers and students of both multiculturalism and multicultural education principally because they touch on both perspectives but concentrate for the most part on the thorny problematic of the workings of multicultural education in its present precarious moment Given the renewed urgent attacks in various western countries the cottage industry of death of multiculturalism texts and the rise of the interculturalism transnationalism diaspora alternatives is multiculturalism dying Are the ends of multiculturalism the management or celebration of diversity representation and recognition for all in society creation of just and equitable communities at the global national and local school classroom levels better theorized and realized through the ascendant alternatives Representing the precarious moment in Canada Ireland Australia the United States and the United Kingdom the essays in this collection address these questions and both depict and trouble hegemonic multicultural education and contrast it with its supposed successor regimes

*The Ashgate Research Companion to Feminist Legal Theory* Vanessa E. Munro, 2016-04-01 As a distinct scholarly contribution to law feminist legal theory is now well over three decades old Those three decades have seen consolidation and renewal of its central concerns as well as remarkable growth dynamism and change This Companion celebrates the strength of feminist legal thought which is manifested in this dynamic combination of stability and change as well as in the diversity of perspectives and methodologies and the extensive range of subject matters which are now included within its ambit Bringing together contributors from across a range of jurisdictions and legal traditions the book provides a concise but critical review of existing theory in relation to the core issues or concepts that have animated and continue to animate feminism It provides an authoritative and scholarly review of contemporary feminist legal thought and seeks to contribute to the ongoing development of some of its new approaches perspectives and subject matters The Companion is divided into three parts dealing with Theory Concepts and Issues The first part addresses theoretical questions which are of significance to law but which also connect to feminist theory at the broadest and most interdisciplinary level The second part also draws on general feminist theory but with a more specific focus on debates about equality and difference race culture religion and sexuality The Issues section considers in detail more specific areas of substantive legal controversy
