Outdoor Adventures in the Soviet Union and the Post-Soviet Space Alexander Statiev, 2026-02-18 Exploring the evolution of adventure tourism in Russia from imperial times to the present this book highlights the distinctive features of Soviet non-commercial trekking boating climbing and skiing expeditions organised by urbanites during their annual vacations This study based on archival and other contemporary sources and interviews with key leaders of the Soviet outdoor community also benefits from the unique personal perspective of the author who led numerous expeditions across Soviet wilderness This book discusses the uneasy symbiotic relationship between tourist self-administration and the state bureaucracy that attempted to impose its own programme on outdoor enthusiasts the culture of Soviet adventure tourism including its distinctly militaristic flavour the social ethnic and gender composition of tourist teams and a host of problems unfamiliar to Western adventurers encountered and solved along the thorny path to the trailhead This book analyses the temporary micro-socialities created by Soviet tourists exposing the values that flourished outside of state control Outdoor Adventures in the Soviet Union and the Post-Soviet Space will be a useful resource to scholars of authoritarianism especially those studying the latter in the context of cultural and sports history as well as for graduate students taking courses on cultural or social history

War, Evacuation, and the Exercise of Power Larry E. Holmes, 2012-05-31 War Evacuation and the Exercise of Power examines the history of the Pedagogical Institute located in the USSR's Kirov region from 1941 to 1952 Holmes reveals a tangled and complex relationship of local regional and national agencies While it recognizes the immense strength of the center it emphasizes a contentious diffusion although not a confusion of authority In so doing it departs from traditional models of Soviet power with their neatly drawn vertical and horizontal lines of command It also demonstrates institutional and personal behavior simultaneously consistent with and at odds with a triumphalist wartime narrative The Nazi invasion of Soviet-held territory in 1941 set off a massive evacuation eastward that included the relocation in Kirov of the Commissariat of Forest Industry and a large factory under the jurisdiction of the Commissariat of Aviation Industry By occupying the two main buildings of Kirov's Pedagogical Institute these commissariats forced the Institute to abandon the provincial capital for a remote rural location Iaransk Then and for years thereafter the Pedagogical Institute portrayed itself as the victim of these commissariats' bad behavior that included the physical destruction of the Institute's buildings and much of its property In its quest for justice as it understood it the Institute had the support of the Commissariat of Education But that agency was far too weak in comparison with its

institutional competitors the offending commissariats to provide much help Of greater significance the Institute forged a remarkable alliance with governing party and state organs in the city and region of Kirov A united Kirov compelled the entry into the dispute of the Council of Peoples Commissars of both the Russian Republic and Soviet Union and the party s Central Committee In addition to a focus on the exercise of power at the center and periphery this study also assesses the Institute s wartime exile in Iaransk The difficulties of life there led to a Soviet version of town vs gown and provoked the Institute s further resentment of Moscow They also exacerbated conflict among distinct groups at the Institute as each advanced its own interests and authority Faculty and administration ranked and unranked faculty communists and non communists and evacuated instructors and the Institute s own all fought amongst themselves over the relationship of politics and scholarship and over the legitimacy of a highly stratified system of food rationing *All India Reporter* ,1923 Vols 1 1914 issued in separate parts called sections e g Journal section Federal Court section Privy Council section Allahabad section Bombay section etc Student Activities Manual B Iiyth: Russian Grammar in Context [With Paperback Book and Dictionary] Olga Kagan, Frank Miller, Ganna Kudyma, 2007-08-22 0138137811 9780138137816 V Puti Value Pack includes Reference Grammar for V Puti Student Activities Manual and Oxford New Russian Dictionary Package consists of 0130282804 9780130282804 V Puti 013189921X 9780131899216 Reference Grammar for V Puti 0131917609 9780131917606 Student Activities Manual Judicial Interpretation of Indian Statutes Kalindi Prasad, 1905 **The Indian Law Reports** ,1925 *The National Union Catalogs, 1963- ,1964* Mysore Law Reports ,1897 *V Puti* Olga Kagan, 1996 Carnegie Institution of Washington Publication ,1913 **Second Decennial Edition of the American Digest** ,1922
