## **Vampire Apocalypse One:**

*Vampire Apocalypse* Katriena Knights, 2002-04-30      *Vampire Apocalypse* Derek Gunn, 2006-09 The war is over and the Vampires have won The drying up of the world's oil resources leads to the fabled End of Days Technology stagnates and communities grow ever more insular With communication between cities lost and attention turned inward the vampires rise from the shadows where they have survived for centuries and sweep across the globe By the time word spreads it is far too late and Vampires enslave humanity and keep them in walled cities to breed The Vampires are masters of the darkness but maintain control by day through the use of Thralls humans who have been bitten but have not yet crossed over and whose inhuman lusts make daylight as terrifying as night In the midst of chaos a small band of rebels lead a terrified existence but their survival is threatened by the Vampire's new scanning procedures John Harris is an ordinary man Young and reckless he is frustrated with the group's stagnation and pushes for one more daring mission His recklessness has exposed the group but it has also increased the size of their community Now as circumstances force them to take the offensive and accompanied by a small group of professional Vampire assassins John will make one last stand for humanity's survival in the Vampire

*Apocalypse*      **Take Back the Night: A Vampire Apocalypse Series Books 1 And 2** Keith Luethke, 2010-11-29 Book 1 The old world is gone Vampires rule the night Out of the ashes a handful of settlements were forged New ways were taught and the world of machines has fallen by the wayside But how long can humanity live shivering at the approach of every night It is time to fight the vampire hordes it is time to take back the night Akoot Creed is about to go on a journey into manhood Armed with a sword bow and cross he must return to his village with the skull of a vampire or never return at all Along his journey he will make new friends and face what lurks in the dark Book 2 The old world is gone Vampires rule the night Out of the ashes a handful of settlements were forged New ways were taught and the world of machines has fallen by the wayside But how long can humanity live shivering at the approach of every night It is time to fight the vampire hordes it is time to take back the night The village of Primrose is under attack for the first time in a hundred years Akoot and Kara fight for their lives but one of their loved ones fall prey to the infectious bite of a vampire Akoot Kara and two new friends must journey beyond the borders of their village and deep into the old world to find a plant which is said to cure the vampire's disease if taken before the infected turns The quest will strain their bodies and relationships as they seek to survive the night

*Damn, You Just Got Bit! A Handbook for New Vampires* Spiro Hamilton, 2021-02-13 So you've been sired What now You have started the biggest adventure of your life or should we say of your death Or undeath Things are never going to be the same again You need a roadmap for your new existence Forget all the old stuff That's all gone now It's time to face the future You no longer need to worry about the fate of the ordinary human All they have to look forward to is death For you provided you don't run into any pesky vampire slayers you have all the time in the world ahead of you How are you going to fill all this time time without end It's a privilege to be a vampire You're one of the special ones the chosen ones You're nothing like the

run of the mill masses with all their dreary jobs and dull lives Jack Kerouac said The only people for me are the mad ones the ones who are mad to live mad to talk mad to be saved desirous of everything at the same time the ones who never yawn or say a commonplace thing but burn burn burn like fabulous yellow roman candles exploding like spiders across the stars and in the middle you see the blue centerlight pop and everybody goes Awww Vampires are these people A cut above Vampires have more bite more penetration more everything This is your handbook to orient you to your undeath Your transition will take a lot of getting used to You ll be meeting entirely different people You ll be mixing in new circles You ll be leaving behind familiar family and friends You ll be expanding your horizons You ll be learning about the origins of vampires in ancient Egypt and the Egyptians extraordinary religious views based on pure magic Are you ready for this It s time for you to step into the spotlight Now is your time Your time to shine You are one of the extraordinary ones Enjoy **Blood of Legends and the Virus Called Humanity** Ryan Stable,2020-10-11 When a terrorist bio weapon strikes a clandestine cloning facility genetically engineered historical figures come back from the dead Hungry for blood Set in a post apocalyptic dystopian future where surprises lurk around every corner and you never know who you ll run into friend food or historical figure turned vampire Will infamous mob boss Lucky Luciano stand a chance against the vampire apocalypse Will the fearsome Blackbeard the Pirate ever sail the seven seas again Will homicidal feminist Valerie Solanas fight her way to the top Will legendary ninja master Hattori Hanzo rescue the love of his life from unspeakable horror With steamy vampire romance riveting fight scenes a plot that keeps you guessing guest appearances from the most unlikely of history s heroes book one in the Blood of Legends Vampire Apocalypse series combines dystopian sci fi with historical fiction in a series that fans of new and old vampire fiction will adore *Contagion and the Vampire* Simon Bacon,2023-08-10 This book examines how the vampire has always been connected to ideas of infection pollution and disease even more so in the 21st century where it expresses the horrors of unseen and unstoppable disease and the foreboding and anxiety that accompany viral outbreaks and wider epidemics Here the vampire gives physical form to the contagion and associated anxieties around the perceived causes and spread of disease where it can take on many forms from animal to pestilential particulate matter creeping shadows and even malignant weather systems If blood is life it is the body of the vampire that is death This timely study looks at how and why the vampire continues to fulfil this function and posits that the true patient zero in the 21st century is no longer the dangerous ancient outsider from the East but is the undying monster that is Western culture itself *Worlds Gone Awry* John J. Han,C. Clark Triplett,Ashley G. Anthony,2018-08-22 Dystopian fiction captivates us by depicting future worlds at once eerily similar and shockingly foreign to our own This collection of new essays presents some of the most recent scholarship on a genre whose popularity has surged dramatically since the 1990s Contributors explore such novels as The Lord of the Flies The Heart Goes Last The Giver and The Strain Trilogy as social critique revealing how they appeal to the same impulse as utopian fiction the desire for an idealized yet illusory society in which evil is purged and justice prevails **The Vampire**

Montague Summers,1928 The Global Vampire Cait Coker,Donald E. Palumbo,C.W. Sullivan III,2020-01-10 The media vampire has roots throughout the world far beyond the shores of the usual Dracula inspired Anglo American archetypes Depending on text and context the vampire is a figure of anxiety and comfort humor and fear desire and revulsion These dichotomies gesture the enduring prevalence of the vampire in mass culture it can no longer articulate a single feeling or response bound by time and geography but is many things to many people With a global perspective this collection of essays offers something new and different a much needed counter narrative of the vampire s evolution in popular culture Divided by geography this text emphasizes the vampiric as a globetrotting citizen du monde rather than an isolated monster *Destiny* Celia Breslin,2014-10-04 In HAVEN San Francisco nightclub owner Carina Tranquilli survives a vicious attack by her vampire family s longtime archenemies Several weeks later as she struggles with PTSD and survivor s guilt supervillain Dixon resurfaces and kidnaps two of her best friends To save them Carina must comply with the evil bastard s unusual demands The kicker She must tell no one what she is up to Meanwhile she has a new dance club to open for the preternatural community a fated soul mate acting secretive and distant and a sexy new undead friend who d love to take Alexander s place in her heart and bed Blackmailed betrayed tempted sometimes destiny has a wicked sense of humor **Incursion** M. D. Massey,2015-05-24 Scratch Sullivan just wanted to survive the apocalypse in peace But when the undead bring their war right to his doorstep it s time to ranger up and rain hell down on his enemies Incursion Vampire ApocalypseTHEM Post Apocalyptic Series Book Two It s been eight years since the bombs fell and the dead rose and the world has become a very dangerous place But unlike most folks former Army Ranger Scratch Sullivan is getting by just fine Sure it s hell on earth but Scratch seems to fit in He makes his living by hunting the dead vampires and zombies alike with the odd revenant thrown in for good measure It s not a bad life for a battle hardened spec ops soldier And to this point he s been content with how things turned out But now some vamp says the undead are about to attack the safe zone settlements Scratch protects Maybe it s a load of bull maybe not But it s been too damned quiet and Scratch s intuition tells him it s time to check things out for himself So he s headed into the badlands where no one s safe to see if that vamp was blowing smoke or if a war is coming And if it s war they want it s war they ll have Because after eight long years of rebuilding what was lost Scratch ll be damned if he lets them take back what humankind reclaimed **Time on TV** Lorna Jowett,Kevin Robinson,David Simmons,2016-06-22 From early examples such as Star Trek and Sapphire and Steel to more contemporary shows including Life on Mars and The Vampire Diaries time has frequently been used as a device to allow programme makers to experiment stylistically and challenge established ways of thinking Time on TV provides a range of exciting accessible yet intellectually rigorous essays that consider the many and varied ways in which telefantasy shows have explored this subject providing the reader with a greater understanding of the importance of time to the success of genre on the small screen *Undead Apocalypse* Stacey Abbott,2016-09-08 Explores the intersection of the vampire and zombie with 21st Century dystopian and
