**Vanity License PL8S** John Mahoney,1988      **Gr8 Pl8s** Sam G. Riley,1991-03-01 A collection of the best and the very very worst of the outrageous cunning sweet and silly messages on US license plates Americans in all states perhaps as many as 20 million have personalised or vanity license plates The types of messages vary from comments on one s car AWESOME WHOOSH GASHOG to hard luck stories IBLUIT People state their professions I FLOSS LOC DOC and their interests LUV2BET SKIH20 They court each other HOT4YOU NOTWED and warn each other NVR AGN O NOOOO XQQZME They glorify their animals CATLUVR PENGWEN They pray ELOHIM PRAZHM and they brag GR8 MOM A1 WIFE      *ABA Journal*,1994-02 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association      *Bcre8iv - Cre8iv Pl8s* Ilan Reiner,2019-02-25 Almost every time I drive around I notice a personalized vanity license plate Most of them are names or some code that only the car owner and maybe a few friends or family know what it means But many times there are those that make you go wow that s cool Or even better make you laugh out loud Plates with messages like HW2PRTY how to party TEXTME text me or RECLESS reckless which definitely makes you wanna keep your distance from that car Really creative plates out there Kudos to the car owners who thought of all these cool ideas and shared them with us Every now and then I snapped a picture of the cars and their license plates not while driving After a while I had quite a collection which I want to share with you in this book This book is a sample collection of creative plates With each plate I put down what went through my mind as I read the message on the plate Hopefully you would smile a lot as you check out these cool plates      **Cars & Parts**,2002      **Mind Control** John Newcomb,Mort Walker,2011-03 Using the power of your mind to gain a healthier happier life Illustrated with drawings by Mort Walker including some of his comic strips like Beetle Bailey      **Press Summary - Illinois Information Service** Illinois Information Service,1990      *I Don't Care If We're There Yet* Joanne O'Sullivan,2008-04 Children love being on vacation or visiting friends and family it s just the boring hours traveling on the plane train bus or automobile that they hate But even long journeys will fly by with this jam packed collection of activities In fact it will keep kids so busy they won t even care when they get there All kinds of puzzles personality quizzes brainteasers writing and drawing prompts and word and board games entertain a single kid or a large group The fun goes way beyond the usual do scavenger hunts for speeding cars funny signs and roadside animals Fold fast food restaurant napkins into origami creatures Play World s Worst and ask your fellow car captives questions like What s the world s worst way to ballroom dance All that s required is a pencil pen or a few markers With so many great things to do getting there just might be the best part of the trip      [Tales from the Back Bumper](#) Christopher Garrish,2013-05-01 Buckle up your seatbelt and prepare for a ride on the history highway Christopher Garrish has collected hundreds of facts and photos not to mention licence plates in this astonishing assembly of motoring madness Discover what the earliest motorists in the province used to build their own licence plates why some licence plate numbers

are worth waiting in line overnight for which offensive acronym slipped under the radar and found its way onto a licence plate before authorities recalled it and dozens of other entertaining anecdotes Whether you re a car connoisseur or a tailgating trucker you ll find that Tales from the Back Bumper is more than just an ABC 123 account of licence plates This book is not only the definitive guide to everything from plate prefixes and decals to provincial slogans and vanity plates but also a fascinating behind the scenes look at how cars and by extension licence plates have played a part in our exploration and navigation of Beautiful British Columbia for the past hundred years *Road and Track* ,1989 **Uncle John's**

*Region Focus* ,1998 *Forthcoming Books* Rose Arny,1988-09 **Divine Signs** H. Lloyd Goodall,1996 Divine Signs is the concluding volume of the ethnographic trilogy about the communicative tensions in everyday American cultural life H L Goodall Jr began with *Casing a Promised Land* and continued with *Living in the Rock n Roll Mystery* In this final work the terms for understanding these tensions are found in a historical and mythological drama featuring Power as the embodiment of the modern Other as the embodiment of the postmodern and Spirit as the unifying power capable of connecting disparate selves to dangerously fragmented communities For this study the localized site of interpretation is in and around Pickens and Oconee Counties South Carolina where every day street signs business advertisements on billboards signs that announce church themes Internet postings and other forms of public communication that invite private meanings are read as rhetorical invitations to participate in these myths and mysteries Using themes discoverable in such public forms of communication Goodall deconstructs a variety of communal experiences from annual community celebrations to weekly therapy sessions in local beauty salons to the fall audience rituals of Clemson University football games to gain a deeper appreciation of the unifying symbolic orders that enrich the interpretive possibilities of our lives and that serve as signs of our deeply spiritual connections to each other and to the planet In the last sections of the book the interplays of Power Other and Spirit are read into and against a wide variety of everyday interpretive contexts from Rush Limbaugh and talk radio to narratives about

angels and stories about the transformative powers of spiritual practices in organizations Goodall then asks the important question Where are the themes of this mythological drama leading us In the stunning conclusion Goodall creates communicative cultural and spiritual challenges for us all *I'll Go to the Gym When I Lose Weight* Madalyn S. Kinsey,2018-07-04 One of the best books I ve read in ages All the little things we women face on a day to day basis the author describes in side splitting detail I couldn t stop laughing Christy Phillippe Dog Ear Publishing Editor Since when did ordering at Starbucks require an advanced educational degree What are the proper rules for regifting these days and how can I avoid regifting the candle my friend gave me last Christmas back to her Why does Siri seem to have an attitude if I ask her the same question more than once These are the musings of real life middle aged and proud of it Madalyn Kinsey who allows us to laugh along with her as she candidly reveals the weaknesses she has that we all know only too well She belongs to a gym she s never visited and she shudders at the thought of running into friends at the grocery who ll see the cookies chips and soda in her shopping cart This candid and funny book is a breath of fresh air for women and men who want to enjoy the humor of a smart and bewildered woman as she not only examines her own foibles but also the absurdities of the world around her She may not have all the answers but she makes examining the issues a whole lot of fun **Subject Guide to Books in Print** ,1975 **Bibliographic Guide to Business and Economics** New York Public Library.
