Across Boundaries

Virtual Collaboration Ebook

Terri R. Kurtzberg

Virtual Collaboration Ebook:

Virtual Teams Terri R. Kurtzberg, 2014-03-28 To advance in today's workplace requires virtual team skills. Most individuals assume their face-to-face skills will translate, but competency with virtual communication and teamwork requires an entirely new set of skills. This book guides readers down the path to success. Electronic communication is now embedded in our daily experience, as is work involving off-site collaborators. Virtual communication has become an essential job skill that is critical to individual and group success, yet most people just muddle through it without giving it any thought. Drawing on decades of scientific research in the fields of psychology, organizational behavior, and sociology, this book explains how to master the art and science of communicating virtually. The author first analyzes the subtle but significant changes that result when conversations are moved online, providing examples and tips to avoid common pitfalls, then discusses how team behavior and decision making can best be guided in this realm. Readers will fully understand what makes teams click, what inspires trust, how to get a team off on the right foot, and what steps to take in order to make good collaborative decisions, as well as other key topics for virtual teamwork, such as best practices for working in the cross-cultural environment. The book serves as an ideal guide for anyone who participates in or manages a virtual team, but is also suitable as a supplemental textbook in a business school course on organizational behavior or business communication.

Connecting Your Students with the Virtual World Billy Krakower, Jerry Blumengarten, 2020-12-28 Make the most of today's technology to give your students a more interactive, authentic, global learning experience. *Connecting Your Students with the Virtual World* shows you how to plan themed projects for every season, embark on virtual field trips, and get students in touch with other classrooms worldwide. This updated edition includes a key new chapter on taking video conferencing to the next level for optimal student engagement and collaboration, as well as new chapters on connecting through games and esports, and connecting with parents. The book includes a wide variety of standards-based, step-by-step activities you can implement immediately.

Business Goes Virtual John P. Girard, 2011 This book combines academic theory with real-world practitioner success stories to provide executives a summary of current best practices. This book examines five virtual business strategies that are showing unprecedented opportunity. The Any Place Any Time strategy focuses on providing high-quality service 24/7 by ignoring traditional geographic challenges.

Leading Virtual Teams Harvard Business School Press, 2010-04-01 How do you lead a team scattered all over the globe? How do you keep members you can't see focused, communicative, and productive? This book helps you understand both the benefits and challenges of virtual teams and shows you how to build and coach a community that promotes collaboration and ongoing communication.

Business Goes Virtual John Girard, 2011-07-21 This book combines academic theory with real-world practitioner success stories to provide executives a summary of current best practices. This book examines five virtual business strategies that are showing unprecedented opportunity. The Any Place Any Time strategy focuses on providing high-quality service 24/7 by ignoring traditional geographic challenges.

Literary

Translation, Reception, and Transfer Norbert Bachleitner, 2020-09-21 The three concepts mentioned in the title of this volume imply the contact between two or more literary phenomena they are based on similarities that are related to a form of travelling and imitation or adaptation of entire texts genres forms or contents Transfer comprises all sorts of travelling with translation as a major instrument of transferring literature across linguistic and cultural barriers Transfer aims at the process of communication starting with the source product and its cultural context and then highlighting the mediation by certain agents and institutions to end up with inclusion in the target culture Reception lays its focus on the receiving culture especially on criticism reading and interpretation Translation therefore forms a major factor in reception with the general aim of reception studies being to reveal the wide spectrum of interpretations each text offers Moreover translations are the prime instrument in the distribution of literature across linguistic and cultural borders thus they pave the way for gaining prestige in the world of literature The thirty eight papers included in this volume and dedicated to research in this area were previously read at the ICLA conference 2016 in Vienna They are ample proof that the field remains at the center of interest in Comparative Literature

Online Communication and Collaboration Helen Margaret Donelan,Karen Lesley Kear,Magnus Ramage,2010 Communication and collaboration via the Internet has risen to great prominence in recent years especially with the rise of social networking Web 2 0 and virtual worlds Many interesting and worthwhile studies have been conducted on the technology involved and the way it is used and shaped by its user communities From some of the more popular coverage of these interactions it might be thought that these are new phenomena However they draw on a rich heritage of technologies and interactions Online communication and collaboration

presents a very timely set of articles that cover a range of different perspectives upon these themes both classic and contemporary It is unusually broad in the range of technologies it considers many books on these topics cover only a few forms of collaboration technology and in considering well established technologies as well as recent ones It blends academic and popular articles to combine scholarly rigour with readability The book is divided into eight sections covering the foundations of online communication and collaboration together with current collaboration technologies such as wikis instant messaging virtual worlds and social network sites These modern communication tools are considered in terms of their interactions but also looking back at lessons to be learnt from their technological ancestors The book also contains an extended case study of online collaboration taking open source software as its example Online communication and collaboration will be of relevance in a wide range of higher education courses in fields related to soft computing information systems cultural and media studies and communications theory

Hybrid Workplace: The Insights You Need from Harvard Business Review Harvard Business Review, Amy C. Edmondson, Joan C. Williams, Bob Frisch, Liane Davey, 2022-03-15 Reinvent your organization for the hybrid age Hybrid work is here to stay but what will it look like at your company If your organization is holding on to inflexible pre pandemic policies about where and when your people work it may be risking a mass exodus of talent Designing a hybrid workplace that furthers your business goals while staying true to your culture requires balancing experimentation with rigorous planning Hybrid Workplace The Insights You Need from Harvard Business Review will help you adopt the best technological cultural and new management practices to seize the benefits and avoid the pitfalls of the hybrid age Business is changing Will you adapt or be left behind Get up to speed and deepen your understanding of the topics that are shaping your company s future with the Insights You Need from Harvard Business Review series Featuring HBR s smartest thinking on fast moving issues blockchain cybersecurity AI and more each book provides the foundational introduction and practical case studies your organization needs to compete today and collects the best research interviews and analysis to get it ready for tomorrow You can t afford to ignore how these issues will transform the landscape of business and society The Insights You Need series will help you grasp these critical ideas and prepare you and your company for the future
