## Willingly Wanton:

**Love, Reason, and Will** Anthony Rudd, John Davenport, 2015-10-22 Love Reason and Will Kierkegaard After Frankfurt introduces and investigates themes common to Harry G Frankfurt and S ren Kierkegaard focusing particularly on their understanding of love Several distinguished contributors argue that Kierkegaard s insights about love volition and identity can help us to evaluate aspects of Frankfurt s well known arguments about love and caring similarly Frankfurt s analyses of the higher order will valuing and self love help clarify themes in Kierkegaard s Works of Love and other books By bringing these two key thinkers into conversation with each other we may glean a new understanding of the structure of love reasons for love or deriving from loving and more broadly the central ethical questions of how to live and to develop an authentic identity and meaningful life Love Reason and Will will appeal to readers interested in the philosophy of action and emotions continental thought especially in the existential tradition the study of character in psychology and theological work on neighbor love and virtues "Fata Morgana," Elizabeth Brandon Stanton, 1917 **Godkin** Daniel D. Longdon, 2025-05-23 Ganymede a moon given over to those who refused to relinquish their faith in the One God was meant to be a failed experiment Yet against all odds it became a place of harmony where the remnants of Earth s surviving religions coexisted for the first time in human history But peace was not what the powers that be had intended The government of man the corporations and the Spirit Council sanctioned the moon heavily restricting technology weapons and travel in the hope that those forced into a pre spacefaring existence would eventually turn on one another in holy warfare When the expected chaos failed to materialize a new plan was put in motion Jack Satan an agent of those in power was sent to ensure that division and destruction took root whether the faithful willed it or not His presence did not go unnoticed much to the frustration of Pierre Augustin the officer commanding the small fleet of warships in orbit To those on the surface he was Ganymede s gaoler but even he began to question the true purpose of his mission His Miracle Baby Kate Walker, 2011-01-17 Why had Ellie left him Morgan didn t know It was obvious she d still been blissfully in love with him She d even agreed with his edict that they never have children Then Ellie had disappeared When Morgan found her To his absolute shock she had with her the most adorable baby girl that he d ever seen His heart twisted inside him Had Ellie found another man to give her what he never could or was this baby Morgan s very own miracle The Oresteia Aeschylus, 2004-01-20 One of the founding documents of Western culture and the only surviving ancient Greek trilogy the Oresteia of Aeschylus is one of the great tragedies of all time The three plays of the Oresteia portray the bloody events that follow the victorious return of King Agamemnon from the Trojan War at the start of which he had sacrificed his daughter Iphigeneia to secure divine favor After Iphi geneia s mother Clytemnestra kills her husband in revenge she in turn is murdered by their son Orestes with his sister Electra s encouragement Orestes is pursued by the Furies and put on trial his fate decided by the goddess Athena Far more than the story of murder and ven geance in the royal house of Atreus the Oresteia serves as a dramatic parable of the evolution of

justice and civilization that is still powerful after 2 500 years The trilogy is presented here in George Thomson's classic translation renowned for its fidelity to the rhythms and richness of the original Greek 1984, **Portable Greek Reader** W.
