**The Art of Distributed Applications** John R. Corbin,2012-12-06 Powerful networked workstations are adding a new dimension to the world of computing Programmers are challenged to write applications that exploit the speed and parallelism of such distributed systems programs that take advantage of the networking and communication features of high speed workstations John Corbin a senior engineer in Sun s networking group bases his approach on RPC Remote Procedure Call a technique for programming communication processes in UNIX environments A professional reference book as well as a textbook on RPC programming techniques The Art of Distributed Applications Programming Techniques for Remote Procedure Call is for the working programmer who needs to explore the possibilities of designing distributed networked applications under UNIX The book can also be recommended as a supplemental text in a distributed systems course providing the basis for lab assignments

The NeWS Book James Gosling,David S.H. Rosenthal,Michelle J. Arden,2012-12-06 This book is an introduction to NeWS the Networked Extensible Window System from Sun Microsystems It is oriented towards people who have a basic knowledge of programming and window systems who would like to understand more about window systems in general and NeWS in particular A significant portion of the book is devoted to an overview and history of window systems While there is enough detail here to allow readers to write simple NeWS applications the NeWS Reference Manual SUN87a should be consulted for a more complete treatment This book was written to refer to the NeWS 1 1 product available from Sun and also available from several non Sun suppliers Shortly after this book is published Sun will be releasing the next version of NeW the Xll NeWS merged window system Chapter 10 is dedicated to an overview of that product but Xll NeWS deserves a book of its own All the code examples in this book have been tested on both NeWS and the Xll NeWS merge Should there be another edition of this book we will discuss some of the new development being done in the user interface tool kit area on NeWS Significantly the NeWS Development Environment NDE is now being developed at Sun NDE promises to eclipse existing user interface toolkit designs and window programming environments
