**Cheap Talk** Joshua St. Pierre, 2025-10-01 In *Cheap Talk* Disability and the Politics of Communication Joshua St Pierre flips the script on communication disability positioning the unruly disabled speaker at the center of analysis to challenge the belief that more communication is unquestionably good Working with Gilles Deleuze's suggestion that we don't suffer these days from any lack of communication but rather from all the forces making us say things when we've nothing much to say St Pierre brings together the unlikely trio of the dysfluent speaker the talking head and the troll to show how speech is made cheap and produced and repaired within human bodies to meet the inhuman needs of capital The book explores how technologies like social media and the field of speech language pathology create smooth sites of contact that are exclusionary for disabled speakers and looks to the political possibilities of disabled voices to de face the power of speech now entwined with capital
