## **The Tenderest Touch:**

Touching and Being Touched Gabriele Brandstetter, Gerko Egert, Sabine Zubarik, 2013-10-29 Touch is a fundamental element of dance. The time forms and contact zones of touch are means of expression both of self reflexivity and the interaction of the dancers. Liberties and limits, creative possibilities and taboos of touch convey insights into the aisthesis of the different forms of dance into their dynamics and communicative structure as well as into the production and regulation of affects. *Touching and Being Touched* assembles seventeen interdisciplinary papers focusing on the question of how forms and practices of touch are connected with the evocation of feelings. Are these feelings evoked in different ways in tango, Contact improvisation, European and Japanese contemporary dance? The contributors to this volume, dance literature and film scholars as well as philosophers and neuroscientists, provide in depth discussions of the modes of transfer between touch and being touched. Drawing on the assumptions of various theories of body, emotion and senses, how can we interpret the processes of tactile touch and of being touched emotionally? Is there a specific spectrum of emotions activated during these processes within both the spectator and the dancer? How can the relationship of movement, touch and emotion be analyzed in relation to kinesthesia and empathy?

**The Tender Texan** Jodi Thomas, 2011-11-01 From the New York Times bestselling author of the *Harmony McLain* and *Whispering Mountain* series, Anna Meyer offers one hundred dollars to the Texas cattleman who can help her forge a frontier homestead. Chance Wyatt agrees to settle down and build a home with a lovely stranger. The boy in him never considered the possibility of love. But the man in him can't deny the passion that Anna brings out in him. They vowed to live together for only a year, but as the challenges of the savage land bring them closer together, neither can resist the aching desire that inflames their hearts and touches their souls.

Thunder's Tender Touch Carol Finch, 1989-11 Bounty hunter Vince Logan was everything refined. Piper Malone feared in a man big, brash and bold. But the fair-skinned aristocrat needed him to recover her swindled inheritance. She planned to quickly dismiss him after she paid him for his services. She never counted on the desire that filled her when she was near.

*Quiet Talks on John's Gospel* S. D. Gordon, 2022-09-16 In *Quiet Talks on John's Gospel*, S. D. Gordon offers a profound exploration of the Gospel of John, delving into its rich theological insights and spiritual truths. Gordon employs a contemplative literary style, weaving narrative and exposition to illuminate key themes such as love, faith, and the divine nature of Christ. His work resonates with both personal reflection and scholarly analysis, positioning it within the wider context of early 20th-century evangelical thought, a time when the modernist movement was challenging traditional interpretations of Scripture. S. D. Gordon, known for his deep faith and compelling oratory, was a significant figure in the early Christian literary movement. His background in pastoral ministry and a passion for communicating the core tenets of Christianity profoundly influenced his approach to Scripture. This book emerges from his desire to make the complexities of the Gospel accessible and relatable to believers seeking a deeper understanding of their faith. I highly recommend *Quiet Talks on John's Gospel* to anyone interested in a thoughtful examination of the Gospel.
