*The Ten Commandments* Billy Graham, Billy Graham Evangelistic Association, 2005      **The Ten Commandments**  
Patrick D. Miller, 2009-01-01 The Lord alone Hallowing the name of God Keeping the Sabbath Respect for parents Protecting

commandments      **Democracy and the Ten Commandments** Robert Kimball Shinkoskey, 2016-07-12 For 2 000 years  
Western culture has leaned heavily on the Ten Commandments for guidance in religion ethics and morality The author  
drawing upon modern Biblical science demonstrates that those laws were designed for an entirely different purpose to  
provide alternatives to repressive policies Israel reeled under in Egypt The Decalogue is a political document designed to  
limit government intrusion into private lives Its precepts deal with matters like political parties and intellectual freedom  
central banking and taxation occupational choice free economy humane working conditions local government right to life and  
international relations land possession and inheritance equal justice and education and citizenship and public health The  
author s interpretation necessitates a wholesale repositioning of Biblical religion The Bible is not a book about religious  
worship but is rather a book about citizen empowered local democracy This essay suggests a way out of the woods for an  
American democracy that has lost its way in a headlong veer toward heavy handed central government      *The Ten

Commentary Studies in Bible Theology series a book examining the ancient and modern significance of each of the Ten Commandments *The Love Commandment in Mark* George Keerankeri,2003 This research work investigates the problem whether the texts of the love commandment of Mk 12 28 34 which are quotations of Deut 6 4 5 and Lev 19 18 have their original OT meaning in the gospel of Mark or whether they acquire besides this a specific Markan enrichment The study not only affirms such a specificity but also demonstrates its richness and depth It establishes that the distinctiveness of the Markan conception of the love commandment is closely linked to the person of Jesus and is expressed in a multiplicity of data both formal and thematic which can be discovered in an integral reading of the gospel The methodology employed is modern redaction criticism which differs from classical Redaction criticism in that it is synchronic and takes the text as it stands as a coherent and wholistic document to be understood in terms of itself and thus studies it in an integral reading The investigation has two parts involving four chapters and a general conclusion Part I comprising Ch I and Ch II dwells on the OT meaning and context of the texts of the love commandment and provides a lucid account of them which serves as the basis for its study in the gospel Part II researches the commandment in Mk in two chapters Of these Ch III represents the gospel s theoretical interpretation of the commandment and Ch IV Jesus fulfillment of it in the Passion his instruction by example Together they complete Mark s total interpretation of the love commandment Following this the general conclusion sees the Markan specificities in a unifying theological vision defined by the gospel s Christology and closes by drawing its consequences George Keerankeri was born on 10 December 1944 at Kothanalloor in Kerala India He entered the Society of Jesus in 1962 and was ordained a priest in 1974 He holds an M A in Social Cultural Anthropology and completed his Licentiate in Sacred Scripture LSS at the Pontifical Biblical institute Rome in 1979 Ever since he is a lecturer of the New Testament at Vidyajyoti College of Theology the Jesuit Faculty of Theology in Delhi India *Lectures.-v.5-7. Schlessinger, Stewart Vogel, 1999-08-18 The Ten Commandments are the first direct communication between a people and God Designed to elevate our lives above mere frantic animal existence to the sublime levels humanity is capable of experiencing they are the blueprint of God's expectations of us and His plan for a meaningful just loving and holy life Each commandment asserts a principle and each principle is a moral focal point for real life issues relating to God family sex work charity property speech and thought Written in collaboration with Rabbi Stewart Vogel The Ten Commandments incorporates lively discussion of the Bible and the Judeo Christian values derived from it Filled with passion emotion and profound insights it will move enlighten inspire entertain and educate you on the meaning each commandment has in our daily lives today I am the Lord your God Who has taken you out of the land of Egypt from the house of slavery You shall not recognize the gods of others in My presence You shall not take the Name of the Lord your God in vain Remember the Sabbath day and sanctify it Honor your Father and your Mother You shall not murder You shall not commit adultery You shall not steal You shall not bear false witness against your fellow You shall not covet

**Contemplations on the Ten Commandments Vol. 2** H.H. Pope Shenouda III, 1993-07-02 The Ten Commandments were not meant for the times of the prophet Moses nor the times of the Old Testament but were rather addressed to every generation till heaven and earth pass away one jot or one tittle will by no means pass from the law Matt 5:18 Through Christianity the Ten Commandments were given a new meaning which coincided with the new standards understood by the believers in the New Testament So the Commandments remain the same but their concept widens as God grants with His grace an opportunity for meditation How true then was the prophet David when he said I have seen the consummation of all perfection But Your commandment is exceedingly broad Ps 119:96 This series of lectures were given in 1967 and have been published more than once Pope Shenouda III

**Keeping the Ten Commandments** J. I. Packer, 2008-01-07 They're often mistakenly considered God's rules his outdated list of do's and don'ts that add up to a guilt-ridden legalistic way of life But as beloved author and Bible scholar J. I. Packer probes the purpose and true meaning of the Ten Commandments you'll discover that these precepts can aptly be called God's blueprint for the best life possible They contain the wisdom and priorities everyone needs for relational spiritual and societal blessing and it's all coming from a loving heavenly Father who wants the best for his children Not only does Packer deliver these truths in brief readable segments but he includes discussion questions and ideas for further study at the end of each chapter This book will challenge you to view the commandments with new eyes and help you to understand perhaps for the first time the health hope and heritage you're offered there
