Vampire Lestat:

Vampire Lestat Anne Rice,1985-09-12 Returning to the hypnotic world she so brilliantly created in Interview with the Vampire Anne Rice demonstrates once again her power to enthrall Brilliant its undead characters are utterly alive The New York Times Book Review With the same richness of drama atmosphere and incident she tells the fantastic story of the vampire Lestat whom we first perceived as the seductive devil vampire of Interview with the Vampire and whom we now follow through the ages as he searches for the origin and meaning of his own dark immortality And who more and more engages our sympathy until he stands revealed as a questing romantic a vampire hero with his own strange and passionate courage and morality As the novel opens Lestat having risen from the earth after a fifty five years sleep and infatuated with the modern world presents himself in all his vampire brilliance as a rock star a superstar a seducer of millions And in this blaze of adulation daring to break the vampire oath of silence he determines to tell his story to rouse the generations of the living dead from their slumbers and to penetrate the riddle of his own existence As he speaks we are plunged back into eighteenth century France into the castle where we meet the young Lestat child of impoverished aristocrats heroic hunter of wolves at odds with his tyrannical father running away to join a traveling troupe of actors We see him in the licentious Paris of the day first apprentice at a boulevard theater then its most celebrated actor idolized adored by many and night after night watched by one until in a sleep filled with dreams of the wolves he killed as a boy he is shocked awake by a dark figure and suddenly horribly eternally joined to the unholy brotherhood We follow Lestat as he searches for others like him in churches and brothels in gambling houses huts and palaces sometimes joined by the vampire angel Gabrielle who is bound to him both by blood and by passion sometimes traveling with his adored Nicolas the violinist whose music and beauty are equally transcendent We follow Lestat as he travels from the snowcapped mountains of the Auvergne and the primeval forest of ancient Gaul to Sicily Istanbul Venice and Cairo searching for his origins sometimes finding clues to the birth of the vampire race knowing always that the central truth eludes him But all the while throughout his travels through many lands and many times Lestat has made enemies among his brethren vampires who are in terror of his questions who fear he will disturb the uneasy balance in which they exist with the mortal world and who suspect in him a desire to rule And when in the caves below a craggy Greek island in a sanctuary whose walls are covered with gold flecked murals the very first of the living dead awake the truth at the heart of his quest is at last revealed Ancient forces held immobile through the ages are irreversibly set in motion and as the novel rushes to its stunning climax Lestat s vampire foes converge in pursuit of him on the demonic freeways of the twentieth century

with the comings and goings of the bewitched and the bewitching Among them is the ageless vampire Lestat vain enough to believe that he can become a saint weak enough to fall impossibly in love Grippled by his unspeakable desire for the mortal Rowan Mayfair and taking the not so innocent new to the blood Mona Mayfair under his wing Lestat braves the wrath of paterfamilias Julien Mayfair and ventures to a private island off the coast of Haiti There Saint Lestat will get his chance to slay his dragon For Mona and the Mayfairs share an explosive secret blood bond to another deathless species a five thousand year old race of Taltos strangers held in the throes of evil itself *Anne Rice's the Vampire Lestat* Anne Rice,1991 Collected for the first time here are the twelve extraordinary illustrated volumes that form the graphic novel of THE VAMPIRE LESTAT Evocative full color paintings and an artful abridgment of the original text capture the inimitable spirit and atmosphere of this passionate complex and thrilling tale The story begins in our own time with Lestat tall blond and handsome a world renowned rock star His gifts are timeless his youth never withers But he was not always the powerful and famous child of darkness Before his long earth encrusted sleep he was an aristocrat in the heady days of pre Revolutionary France It was then that he came face to face with the incarnation of evil and the temptations of love that he has ravenously pursued through time Where it has led him and what he has become is the heart of the tale that has captured millions of readers
