Vanishing Georgia:

Vanishing Georgia Georgia Dept of Archives and History,2002-08-01 The absorbing vintage photographs brought together in Vanishing Georgia recall life in the state from halfway through the nineteenth century to the middle of the twentieth Pictured here are both great events and commonplace occurrences Atlanta in the wake of Sherman s march and a small town bedecked in flags on the Fourth of July paddlewheelers loaded with barrels of turpentine and proud owners of new automobiles a get together with neighbors for a corn shucking and a crowd straining to hear the last words of a convicted man Vanishing Georgia is an engaging entree into the state s vast and varied history a treasure for both casual browsers and serious scholars [Vanishing Georgia](#) Georgia. Department of Archives and History,1982 [Georgia's Confederate Monuments and Cemeteries](#) David N. Wiggins,2006 Confederate monuments and markers in cemeteries across Georgia are inscribed with a variety of dedications Many offer a simple sentiment such as Our Confederate Dead 1861 1865 or Lest We Forget some present a more political statement They Fought Not For Conquest But For Liberty And Their Own Homes some have long soliloquies of prose or poetry and others feature lists of names of individuals or units that served Georgia s Confederate Monuments and Cemeteries features vintage images of soldiers sailors and the many different types of monuments erected throughout the state to honor them These monuments of stone marble granite and bronze recognize the sacrifice of those who served Georgia in the War Between the States Various memorial associations and organizations survivors and descendants of these men and women built lasting tributes to them and each has a story to tell **North Georgia's Dixie Highway** Amy Gillis Lowry,Abbie Tucker Parks,2007 Traces the development of this early twentieth century tourism route that connected the South to the urban North the growth of businesses serving the route s visitors and the evolution of the handmade chenille coverlets sold along the route that laid the groundwork for the modern carpet industry Original [The Georgia Librarian](#) ,1992 **Vanishing Georgia Photographic Collection** Robin Kaye Frazier,2010

Our Vanishing Wild Life William Temple Hornaday,1913 William Temple Hornaday was the Director of the New York Zoological Society and the nation s leading advocate of wildlife conservation in this era This unsparing manifesto was written to accompany Hornaday s launching of the Permanent Wildlife Protection Fund it is thus in the words of the historian Stephen Fox both a campaign tract and one of the first books wholly devoted to endangered wild animals John Muir and His Legacy The American Conservation Movement Boston Little Brown and Company 1981 p 149 It is also a landmark of conservation history which had a profound effect on the thought of Aldo Leopold among others The book surveys the history and causes of wildlife destruction in America and elsewhere and sets forth a lengthy program to ensure the protection of remaining wildlife for the future often in militant and moralistic terms The work also throws light on some of the complexities inherent in the conservation movement at this time for example Hornaday accepts the classification of certain bird and mammalian predators as noxious or vermin and appropriate for destruction pp 77 81 there is no criticism here of the massive

campaign for the extermination of wolves and coyotes being sponsored at the time by the Bureau of Biological Survey On a more general level Hornaday's fulminations against Italian immigrants as incorrigible bird killers suggest a connection between nativism and conservationism while his excoriations of market hunters set forth a deeply rooted class bias shared by many leading conservationists
