

UGC Limiteds

Roblox now allows User-Generated Content (UGC) to be "limited", with some similarities to classic Roblox limiteds. UGC limiteds can have limited quantities, and can be resold by users after a holding period of up to 30 days.

New UGC limiteds will be added here shortly after they are released.

Adulthood Manfred Liebel,Philip Meade,2026-03-10 Despite global advances in children s rights young people are routinely disregarded overpowered and excluded This persistent discrimination known as adulthood permeates family life education urban design legal systems and political discourse In this groundbreaking book the authors provide a comprehensive introduction to adulthood from an academic perspective while also emphasising its practical implications Drawing on rich real world examples and research they analyse it as a systemic form of discrimination exploring how it evolved and is reproduced through language institutions and everyday practices Timely accessible and urgent this book offers a vision for resistance and transformation outlining how adulthood can be challenged by both adults and young people to co create a more equitable future

Intellectual Property and Emerging Technologies Tshimanga Kongolo,2024-11-15 This book evaluates issues and challenges emerging from the interaction between intellectual property IP and new technologies namely artificial intelligence AI big data social media internet of things IoT metaverse blockchain video gaming and voice cloning New technologies have not only shaken the current IP system but show the limits of a framework which was designed more than three centuries ago As technological innovations have rendered some established IP rules and principles difficult to apply new approaches are required to adequately respond to ensuing challenges This volume uses existing case studies and prevailing court decisions to underline the dynamic of the current system It proposes adjustments to accommodate new technologies within the current IP structure The book reflects on the challenges created by new technologies and explores alternative ways to respond to these issues This book will assist IP experts academics professionals and policy makers in their undertakings to understand various issues generated by new technologies It will also be of interest to researchers in the field of IP law and the law of emerging technologies

New Directions in Childhood

Studies James M. Curtis, 2024-01-04 *New Directions in Childhood Studies* Innocence Trauma and Agency in the Twenty first Century acknowledges that the conceptual frameworks for understanding the experience of childhood in the twentieth century are no longer adequate and offers important updates to the construct of American childhood The chapters in this collection examine contemporary children s literature film and video games to explore the ways in which everyday realities like trauma disaster and death impact the experience of childhood in America today In many ways the essays show the narratives blur traditional lines between children s and adult content taking children series as subjects while also guiding them through the processes of dealing with the particular challenges Collectively the essays develop a more contemporary construct of the American child and offer new insights into what that construction might mean for contemporary American society and culture

The Farmer & Stock-breeder, 1933

Public Discourse and the Fashion Industry Natalia Berger, 2026-02-24 This book explores what happens when fashion discourse migrates from specialised media to mainstream newspapers Analysis of 2 263 texts across five Dutch and international case studies animal welfare disability repair practices smart wearables and metaverse fashion demonstrates systematic reversal instead of creating desire it provokes aversion instead of fostering inclusion it reinforces marginalisation instead of encouraging creativity it stokes speculative investment appetites Drawing on Barthes s semiology of fashion Foucault s discourse theory and Lotman s concept of the semiosphere the book introduces critical discursive matrix analysis as a method for examining fashion at its periphery The findings reveal that when fashion intersects with social issues in mainstream media it becomes colonised by other discursive systems medical civic technology and financial while fashion industry voices retreat replaced by NGOs activists and technology companies pursuing non fashion agendas The volume provides insights into why sustainability efforts fail despite awareness how media representation shapes consumer behaviour and why fashion discourse cannot evolve within its commercial framework *Public Discourse and the Fashion Industry* will engage a diverse audience including fashion studies scholars discourse analysts media researchers sustainability practitioners policymakers fashion industry strategists and communication specialists
