Technology And Human Productivity:

Technology and Human Productivity John W. Murphy, John T. Pardeck, 1986-09-23 The editors have assembled a collection of original essays offering a holistic view of how technology shapes the modern world Consideration is given to several major issues such as the dehumanizing effects of technology which tends to objectify social life the emphasis on productivity and the accumulation of material goods and the intricacies involved in creating a responsible technology that would establish more socially sensitive principles values and beliefs Technology is examined not simply as machinery but as a procedure that can be used to define every aspect of social existence and the book demonstrates how to bring about the changes that are necessary to remedy this alienating situation Technology, Humans, and Society Richard C. Dorf, 2001-01-23 The book is written for the reader who wishes to address the issues of sustainability with consideration of the environmental social and economic issues It addresses a broad array of matters and provide a framework that could lead to a sustainable world *Technology, Growth, and the Labor Market* Donna K. Ginther, Madeline Zavodny, 2012-12-06 Technology Growth and the Labor Market brings together research by economists from academia and the Federal Reserve System The first section of the volume includes discussions by monetary policymakers with firsthand experience in determining how technology affects productivity inequality and macroeconomic growth Papers in the second section discuss the sources of the surge in labor productivity growth during the latter half of the 1990s and present forecasts of labor productivity growth rates during the next few years In the third section the papers focus on the role of technological advances in changes in earnings inequality in the labor market The authors examine whether inequality should be viewed as a causal result of skill biased technological change or whether there is a missing link or perhaps no link between changes in technology and changes in wage inequality The final section explores the relationships between computer investment worker skills human resource practices and productivity at the industry and firm levels **Vietnam's Social Mobility of Science and Technology Human Resource** Dao Thanh Truong, Dang Kim Khanh Ly, Nguyen Thi Quynh Anh, 2025-07-07 The book adopts a cognitive perspective on social mobility and its management addressing gaps and paradoxes in developing science and technology S T human resources at both organizational particularly universities and national levels in Vietnam through sociological and policy approaches It explores key themes such as social mobility theory talent attraction challenges in the fourth industrial revolution the revolution s impact on mobility various types of mobility influencing factors and strategies for managing mobility By understanding these general laws of social mobility researchers and policymakers can refine theories on brain circulation talent attraction and mobility flow management Each chapter fosters multi dimensional dialogue and stakeholder engagement in managing Vietnam s S T human resources within social mobility and industrial revolutions The book emphasizes community knowledge and knowledge at large shifting the focus beyond the individual and calling for deeper dialogue within the framework of positive psychology **The Human Factor in Innovation and Productivity**
