Tell Us Your Secret:

I Know Your Secret (A Secrets & Lies Novel) Daphne Benedis-Grab, 2021-12-07 A compulsive middle grade thriller Book Riot The email arrives Sunday night Do exactly what I say when I say it or I will reveal your secret On Monday morning seventh graders Owen Gemma Ally and Todd who have nothing in common and barely know each other must work together and follow the instructions of an anonymous blackmailer None of them want to go along with the blackmailer s strange instructions but each of them have a secret they must protect at all costs Set during a single day of school the students race against the clock to complete a unsettling list of tasks They ll do whatever it takes to keep their secrets hidden but when they discover what the blackmailer has in mind they realize things may have just gone too far Can they put a stop to the plan or is it too late

The Secret Life of Secrets Michael Slepian, 2022-06-07 If you ve ever wondered why we keep secrets and what motivates us to spill them look no further Michael Slepian has spent the past decade studying the psychology of secrets and is ready to reveal his findings to the world Adam Grant 1 New York Times bestselling author of Think Again The Secret Life of Secrets gracefully blends engaging stories with compelling science Sonja Lyubomirsky University of California professor and author of The How of Happiness Think of a secret that you re keeping from others It shouldn t take long behavioral scientist Michael Slepian finds that on average we are keeping as many as thirteen secrets at any given time His research involving more than 50 000 participants from around the world shows that the most common secrets include lies we ve told ambitions addictions mental health challenges hidden relationships and financial struggles Our secrets can weigh heavily upon us Yet the burden of secrecy Slepian argues rarely stems from the work it takes to keep a secret hidden Rather the weight of our secrets comes from carrying them alone without the support of others Whether we are motivated to protect our reputation a relationship a loved one s feelings or some personal or professional goal one thing is clear Holding back some part of our inner world is often lonely and isolating But The Secret Life of Secrets shows you that it doesn t have to be Filled with fresh insight into one of the most universal yet least understood aspects of human behavior The Secret Life of Secrets sheds a fascinating new light on questions like At what age do children develop the cognitive capacity for secrecy Do all secrets come with the same mental load How can we reconcile our secrets with our human desires to relate connect and be known When should we confess our secrets Who makes for the ideal confidant And can keeping certain types of secrets actually enhance our well being Drawing on over a decade of original research The Secret Life of Secrets reveals the surprising ways that secrets pervade our lives and offers science based strategies that make them easier to live with The result is a rare window into the inner workings of our minds our relationships and our sense of who we are

Mahosadha, the Warrior for Peace U Nyi, 2025-03-25 The book is about wisdom war and peace It depicts the life of a prodigious child growing up leading a happy marriage and serving king and country He worked hard with a high sense of responsibility courage care and diligence focusing on the value of human life and the need for justice and peace A born leader he prevailed

over the well established adult sages as they worked to destroy him But he was magnanimous as shown in the episodes of the Battles of the Sages inspiring the ancient people for his courage and wit One of his notable dictums Anger in men of wisdom can never be justified He saw anger as a destroyer of harmony and happiness among people Mahosadha fought as Chief Commander of Mithila with incomparable courage against huge imperial forces of Pancla In short by dint of hard work foresight thorough preparation and careful stratagems he was able to drive the enemy away with a small force of arms and went on to win a durable peace He worked for brotherhood and peace among peoples and nations not for power or self enrichment He won love and respect of all the kings and peoples of Jambudipa *Adhemar Paul de Kock,1904 S.*
