*Guide to Mexico* Brian Williams, 1995 An introduction to Mexico including its geography culture and history      **Great True Adventures** Lowell Thomas, 1955 What is an adventure A remarkable or hazardous experience an unexpected or exciting occurrence befalling anyone as the adventures of Robinson Crusoe Thus reads the unabridged dictionary While an adventurer is One who seeks adventure or engages in perilous or hazardous enterprises hence one who seeks his fortune in new and untried fields This definition is so broad as to imply that an adventure is what you make of it and over the years that is exactly what I have come to consider true Not long ago I had an adventure when I journeyed to far off Tibet with my son Lowell Thomas Jr and spent sometime among those little known and mysterious people I have adventured in many lands and on the shores of all the seven seas And yet I have had remarkable adventures right in the heart of New York City and in London and Paris in the form of remarkable unexpected or exciting occurrences while adventures of some of our most history changing personages have occurred in the cities and towns of our lands I suppose it is fortunate that men have always wanted to think of themselves as adventurous spirits And what a vast company they include Whenever a call has gone out for adventure seekers the response has been overwhelming Take for instance this advertisement placed by my friend Sir Ernest Shackleton the polar explorer in the London newspapers in 1900 MEN WANTED for Hazardous Journey Small wages bitter cold long months of complete darkness constant danger safe return doubtful Honor and recognition in case of success Sir Ernest Shackleton Shackleton in speaking of it later said It seemed as though all the men in Great Britain were determined to accompany me the response was so overwhelming Why You might well ask Why would anyone seek such difficulties with such doubtful returns The answer no doubt is partially instinct for mankind has learned that it is adventure that will preserve the human race Adventure has discovered new lands climbed new peaks explored uncharted deserts crossed new oceans The adventurer is a man at his most alive his strongest his wildest An adventurer is a man who dares to combat nature to meet it on his own ground Nature to him may take the form of dangerous wild beasts dangerous oceans sometimes even dangerously new ideas He is a history maker a map changer His exploits serve to inspire others and to lift mankind to its highest pinnacle Obviously it would be hopeless to try to include in a single book every great adventure Obvious and regrettable We nod an apology to Columbus and Balboa to Peary Amundsen and Byrd the Wright Brothers those who were first to sail and fly around the world and to all those hero adventurers of our wars who have been excluded here for lack of space Our selections have been chosen on three bases the greatness of the adventure involved the interesting style of the adventure teller the variety of the different kinds of man's adventures If by the reading of this book somewhere just one person is inspired to the heights just one great new adventurer is born whose exploits will be recorded in tomorrow's anthologies then we shall consider this an exciting editorial adventure for which we have ample reward Introduction      **Uncovering Mexico's Hidden Gems** Paul Green, 2023-05-01 The concept of hidden gems in Mexico refers to those places that are not as popular

as other tourist destinations but offer unique experiences that are worth exploring These hidden gems are often off the beaten path and offer authentic cultural experiences safe outdoor adventures and undiscovered colonial cities One of the best ways to discover hidden gems in Mexico is by talking to the locals They know their country better than anyone else and can recommend places that are not on the typical tourist map Expats in Mexico can also be a great source of information as they have already gone through the process of exploring different parts of the country Off the Beaten Path Hidden Gems in Mexico are those places that are not typically found in guidebooks or travel websites These can include small towns villages and natural wonders that are not as popular as other destinations but offer unique experiences that are worth exploring
