presented to the reader must be added to the list A few years since when preparing for a local periodical a paper of Early Notices of Toronto the writer little imagined what the sheets then under his hand would finally grow to The expectation at the time simply was that the article on which he was at work would assist as a minute scintilla in one of those monthly meteoric showers of miscellaneous light literature with which the age is so familiar that it would engage perhaps the attention for a few moments of a chance gazer here and there and then vanish in the usual way But on a subsequent revision the subject thus casually taken up seemed capable of being more fully handled Two or three friends moreover had expressed a regret that to the memoranda given gathered chiefly from early French documents there had not been added some of the more recent floating folklore of the community some of the homely table talk of the older people of the place such of the mixed traditions in short of the local Past of Toronto as might seem of value as illustrations of primitive colonial life and manners About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
