Touching Holiness Gloria Laura Lavoie, 2018-11-26 Jesus never held anything back including in the words He chose Always with purpose always with promise He said that He will never leave us or forsake us In the promise alone lies tremendous comfort but when we experience His presence for ourselves we have experienced something extraordinary His holiness exudes what should be abstract yet He makes Himself known in what feels tangible He wants to touch us with His perfect holiness and desires that we capture His sacred presence personally deeply If we believe Jesus to be untouchable this book reveals the opposite as we glimpse His birth to His resurrection to the heart of mankind

The Lord's Supper Jonathan Black, 2023-07-11 Do this in remembrance of Me From the very beginning the Lord's Supper has stood at the heart of Christian worship But over the years we've trivialized it squeezing it in between real worship If Jesus lives in us and the Holy Spirit is poured out on us why do we need to eat bread and drink grape juice or wine Does it really matter It does matter and it's life changing says leading Pentecostal theologian Jonathan Black With warmth and depth he explores not only how the table is still a powerful place of transformation and encounter with Jesus but also how we can experience Christ's promise of presence glory healing forgiveness victory and intimacy when we answer His call to come to the table Whether you're feeling the lack of His presence are ashamed of sin in your life or have never felt anything during Communion Christ's invitation to partake in His feast is your invitation to taste and see that the Lord is good [Lives of the Early Medici](#) Janet Ross, 1911

Sacred Sense William P. Brown, 2015-07-07 All too often Scripture is read only to find answers to life's perplexing questions to prove a theological point or to formulate doctrine But William Brown argues that if read properly what the Bible does most fundamentally is arouse a sacred sense of life transforming wonder In this book Brown helps readers develop an orientation toward the biblical text that embraces wonder He explores reading strategies and offers fresh readings of seventeen Old and New Testament passages identifying what he finds most central and evocative in the unfolding biblical drama The Bible invites its readers to linger in wide eyed wonder Brown says and his Sacred Sense shows readers how to do just that
