## **Touch Of Mortality:**

**A Touch of Mortality** Ann Granger, 1997-01 A move to rural Oxfordshire from London in search of a more peaceful existence turns deadly as Sally and Liam Caswell become the targets of what appear to be animal rights activists until their neighbor is found to be hiding something and a body turns up [A touch of mortality, Ann Granger](#), 1996

**A Touch of Mortality** Ann Granger, 1996 Meredith's old friend Sally Caswell and her scientist husband have moved from London to the quiet of Oxfordshire and find nothing but trouble Quarrels between the moody scientist and a cranky neighbor goats in the backyard and a letter bomb in the mail all add to malice mystery and murder and another case for Meredith and Markby to solve Martin's Press

**A Touch of Mortality (Mitchell & Markby 9)** Ann Granger, 2010-12-09 Village life can be deadly A move to rural Oxfordshire is not the peaceful existence the London couple are looking for in *A Touch of Mortality* Ann Granger's ninth English village crime novel in the Mitchell Markby series The perfect read for fans of Agatha Raisin Agatha Christie and ITV's *Midsomer Murders* To be savoured Publishers Weekly When Sally Caswell persuaded her scientist husband Liam to move from London to the quiet of rural Oxfordshire it was in the hope of a more peaceful existence But so far the move has led to nothing but discord Liam's sabbatical book project is not going well so frustrated and isolated he quarrels incessantly both with Sally and with their next door neighbour the crotchety pensioner Bodicote whose unruly goats are a constant source of contention But then a mysterious package arrives that gives the couple real cause for anxiety It appears that Liam is being targeted by animal rights activists though Superintendent Markby in charge of the investigation is not entirely convinced Liam has many enemies Bodicote among them and it seems to Markby that Liam's cantankerous old neighbour is hiding something The more Markby investigates the more his unease grows as does that of Meredith Mitchell Markby's girlfriend and an old friend of Sally Caswell for Meredith suspects Sally is far from well Then a body is found What readers are saying about *A Touch of Mortality* Simply wonderful She Ann Granger will always throw in a lovely little twist The author piles up detail on detail with plenty of clues suspects and undercurrents Ann Granger is definitely one of the best out there that pens English village cosies

The Ethical Use of Touch in Psychotherapy Mic Hunter, Jim Struve, 1997-10-08 Is ethical touch an oxymoron Is the bias against touch in psychotherapy justified Can the recovery process be complete without healing touch Mental health professionals are entrusted with the awesome responsibility of providing appropriate treatment for clients in a safe environment that nurtures trust a necessary ingredient for optimum movement through the therapeutic process Though treatment approaches vary most modalities are verbally based and in theory exclude physical contact Fearing that any form of touch would likely lead to sexual feelings or interaction clinicians tend to shy away from the topic In The Ethical Use of Touch in Psychotherapy however authors Mic Hunter and Jim Struve skillfully demonstrate that touch a most basic human need is intrinsic to the healing process along with talk therapy regardless of the practitioner s theoretical orientation While the use of touch is a given in other health care settings it remains a benefit denied as taboo in psychotherapeutic relationships due to transgressors whose unscrupulous use of a valuable technique have marred its reputation This book encourages readers to conduct a meaningful self reflection and explore possible misconceptions related to touch in order to rejuvenate its acceptance Based on years of sound research and clinical experience The Ethical Use of Touch in Psychotherapy promises to enrich clinical discussion and stimulate further empirical research This insightful and progressive presentation is a must read for clinicians interns and advanced students as well as lay readers interested in the dynamics and innovations in psychotherapy
