When the Shoe Fits Osho,2017-06-06 The powerful combination of the perennial wisdom of Tao and Osho s insightful and inspirational interpretation makes this a true gem of a book which will appeal not only to Osho s numerous followers but also to the increasing number of people who are interested in the wisdom of Tao Although previously little known this is one of Osho s classics He brings his unique perception to the world of Tao and offers his penetrating and illuminating comments on these original sutras As always his inspirational anecdotes and stories illustrate the points he makes about the spiritual search love acceptance and true peace and happiness With wonderfully irreverent humour Osho sets out to pierce our disguises shatter our illusions cure our addictions and demonstrate the self limiting and often tragic folly of taking ourselves too seriously

Zen: The Path of Paradox, Vol 1 Osho,2023-04-14 Zen is not a theology it is a religion and religion without a theology is a unique phenomenon All other religions exist around the concept of God They have theologies They are God centric not man centric man is not the end God is the end But not so for Zen For Zen man is the goal man is the end unto himself God is not something above humanity God is something hidden within humanity Man is carrying God in himself as a potentiality

The Book of Understanding Osho,2006-02-14 The path to freedom is filled with questions and uncertainty Is it possible to truly know who we are Do our lives have a purpose or are we just accidental What are we meant to contribute What are we meant to become to create and to share In The Book of Understanding Osho one of the most provocative thinkers of our time challenges us to understand our world and ourselves in a new and radical way The first step toward understanding he says is to question and doubt all that we have been taught to believe All our lives we ve been handed so called truths by countless others beliefs we learned to accept without reason It is only in questioning our beliefs assumptions and prejudices that we can begin to uncover our own unique voice and heal the divisions within us and without Once we discover our authentic self we can embrace all aspects of the human experience from the earthy pleasure loving qualities that characterize Zorba the Greek to the watchful silent qualities of Gautam the Buddha We can become whole and live with integrity able to respond with creativity and compassion to the religious political and cultural divides that currently plague our society In this groundbreaking work Osho identifies loosens and ultimately helps to untie the knots of fear and misunderstanding that restrict us leaving us free to discover and create our own individual path to freedom
