**It's Not in the Manual** Michael Gips, 2025-12-22 What makes a great leader in security and risk It's not in the manual It's Not In the Manual shatters the illusion that effective leadership in security risk and resilience is all about titles certifications or rigid frameworks In a world where cyber threats insider risk reputational landmines and geopolitical chaos overlap this book delivers something far more valuable hard earned wisdom human vulnerability and a wry sense of humor Written with both erudition and pop culture sensibility the book blends field tested insights with sharp wit drawing from sources as varied as Socrates and Snoopy Bill Gates and Bill Bryson quantum physics and playground fistfights If you're looking for a dry leadership tome keep looking This is leadership with levity candor and conscience Whether you're navigating a crisis building a converged risk function mentoring the next generation or just trying to get your team to stop using password123 the lessons here are real world actionable and often unexpected Drawing on hundreds of conversations with practitioners thought leaders and executive coaches from museum security directors to startup founders to crisis tested veterans the book moves fluently between the tactical and the philosophical You'll find leadership lessons in Texas Hold Em and trauma case law and commercials streaming series and streaming data From managing complexity and polycrisis to fostering wellness and adaptive thinking It's Not In the Manual goes where conventional guides don't It doesn't just teach you how to lead It shows you why it matters when it falters and what it takes to lead through uncertainty with integrity If you've ever felt unprepared to lead in the face of chaos contradiction or moral ambiguity this book is for you Witty yet grounded insightful yet practical It's Not In the Manual is the leadership companion every security and risk professional didn't know they needed until now

**The Mind Manual** Dr Alex George, 2025-01-02 Your complete mental fitness toolkit by Dr Alex George How are you No really how are you Learn how to assess your mental health today and understand what's normal for you This is the mental health toolkit that will help you thrive The Mind Manual is broken down into four parts with each one building on the last The goal is to help you to establish your baseline to know what peace feels like to you And then to offer advice and tools to help you maintain that as much as possible Part 1 looks at how to figure out where your baseline is and what normal feels like for you It's all about recognising your own needs so that you can best support yourself when issues arise Part 2 explores the seven universal truths and how they can support you when your mind is telling you lies These seven truths are Connection is your superpower Sleep will save you Boundaries are beautiful Mistakes are a must have Stress is the enemy You are enough Happiness is an inside job Part 3 focuses on the foundations of mental fitness and explores the five

different areas of life These include what you eat and drink how you release stress from your body how much you move how to talk out your thoughts and how to approach the medical side of things Part 4 is your mental health toolkit where you ll find a wide range of worksheets and activity tools to use These can help while reading the book but can also be used regularly in your day to day life to check in on how you re coping
