planning **Handbook of Research on the Role of Tourism in Achieving Sustainable Development Goals** Brandão, Filipa, Breda, Zélia, Costa, Rui, Costa, Carlos, 2020-09-25 Tourism one of the world's leading industries has propelled countries into recovery from economic recession. As a multi-disciplinary, multi-sectoral, holistic and systemic industry, tourism is also uniquely placed to address the concerns of the United Nations Sustainable Development Goals (SDGs). While the relationships between tourism sustainability and sustainable development are the subjects of deep study, the direct positive effects of tourism on SDGs remain underdiscussed. *The Handbook of Research on the Role of Tourism in Achieving Sustainable Development Goals* is a collection of innovative research that explores sustainable practices within the tourism industry. While highlighting a broad range of topics including economic growth, education and production patterns, this book is ideally designed for engineers, entrepreneurs, policymakers, executives, advocates, researchers, academicians and students. *The New York Times Practical Guide to Practically Everything, Second Edition* Amy D. Bernstein, Peter W. Bernstein, 2009-11-24 All the wisdom of *The New York Times* experts in every field is packed into one comprehensive volume that has been completely revised and updated. Illustrations throughout. **A Research Agenda for Tourism and Development** Richard Sharpley, David Harrison, 2019 Tourism is integral to local, regional and national development policies as a major global economic sector, it has the potential to underpin economic growth and wider development. Yet transformations in both the nature of tourism and the dynamic environment within which it occurs give rise to new questions with regards to its developmental role. This Research Agenda offers a state-of-the-art review of the research into the tourism development nexus. Exploring issues including governance, policy, philanthropy, poverty reduction and tourism consumption, it identifies significant gaps in the literature and proposes new and sometimes provocative avenues for future research. **Sustainability in the Hospitality Industry** Willy Legrand, Joseph S. Chen, Gabriel C. M. Laeis, 2022-07-29 This foundational textbook investigates the economic, environmental and social sustainability issues facing the hospitality industry today and explores ideas, solutions and strategies of how to manage operations in a sustainable way. This updated fourth edition features new content including: Research on nature-based solutions and zero-carbon approaches in facilities technologies for energy, water and waste management; changes in consumer behaviour and environmental and social impacts of food production; a new chapter on employees' diversity, inclusion and well-being in the industry; a new chapter on the challenges of operating in the Global South. More than 100 international industry case studies and focused info boxes. New practical exercises, discussion questions and research project ideas based on real-life sustainability scenarios. Accessible and comprehensive, this book is essential reading for all students as well as current and future managers in the hospitality industry. **Measuring Technology and Mechatronics Automation in Electrical Engineering** Zhixiang Hou, 2012-02-14 *Measuring Technology and Mechatronics Automation in Electrical Engineering* includes select presentations on measuring technology and mechatronics automation related to electrical engineering originally presented during the International Conference on Measuring Technology and
