EDUCATION 6.0 KHRITISH SWARGIARY,2026-01-01 As the author of Education 6 0 Envisioning the Symbiotic Future of Learning and Innovation I am profoundly humbled and inspired to present this work at a pivotal moment in human history We stand on the threshold of an era defined by unprecedented technological convergence where artificial intelligence quantum computing bio digital interfaces and regenerative systems are reshaping not only industries but the very essence of how we learn create and coexist with intelligent machines Education 6 0 as envisioned in these pages represents a bold forward looking paradigm that extends beyond the human centric resilience of Education 5 0 and Industry 5 0 It embraces a symbiotic future in which humans and advanced technologies co evolve ethically sustainably and equitably to address grand challenges like climate crises skill obsolescence and global inequities This book emerges from my deep passion for educational transformation informed by years of research into emerging technologies pedagogy and policy Drawing on historical trajectories from ancient gurukuls and hierarchical rote systems to the digital integrations of Education 3 0 and 4 0 I propose Education 6 0 as a holistic framework aligned with the nascent visions of Industry 6 0 Central to this is the original LIKEMS framework Leadership Innovation Knowledge Skills Industry Manufacturing Maker Centered Practices Entrepreneurship and Sustainability designed to cultivate sovereign learners who lead ethical innovation harness symbiotic intelligence and steward planetary resources Written amid rapid advancements as of late 2025 this volume synthesizes empirical evidence real world implementations and speculative yet rational projections to guide educators policymakers researchers and innovators My hope is that it sparks collaborative action toward learning ecosystems where technology amplifies human potential without diminishing agency empathy or well being Education 6 0 is not merely an adaptation to change it is a call to co create a harmonious innovative world for generations to come KHRITISH SWARGIARY AKA KS Luminar Assam India Jan 2026

A New Approach to Reading Videogames as Story Thomas Rowland,2026-01-27 This book introduces a new methodology for understanding videogames with particular attention to three types of videogames toy games storybook games and ludonarratives This methodology pulls from phenomenological

and deconstructionist roots informed by medieval studies and the history of reading to emphasize how important playing stories can be as a form of narrative This book explores the idea of storyplaying in connection with new ideas on intramersive movement game mechanics and sacred play to develop a typology of videogames that will enable critics educators and theorists to situate videogames within a broad continuum of literary history Building on this foundation this book continues by exploring additional facets of this methodology by exploring the relationship between videogames and film criticism the emerging art world of game mediated photography the various economies constructed around videogames the potential of games to serve as third places and some suggestions for videogames in the classroom These ideas are contextualized by the author s argument that videogames serve a purpose akin to the original function of medieval cathedrals as intentional virtual spaces with dedicated and important meditation which given today s decadent cultural and political climate underscores the urgency of recognizing videogames as being vital to our scholarly and educational enterprises **Journalism and the**

Metaverse John V. Pavlik,2024-06-04 Journalism has been in a state of disruption since the development of the Internet The Metaverse what some describe as the future of the Internet is likely to fuel even further disruption in journalism Digital platforms and journalism enterprises are already investing substantial resources into the Metaverse or its likely components of augmented reality virtual reality and artificial intelligence Although research shows most of the public has little knowledge of the Metaverse many are keenly interested in what it or its components may bring Gartner 2022 predicts that a quarter of the public will spend at least one hour per day in the Metaverse by 2026 Journalism may be an important part of this future This book will provide a critical examination of the implications of the Metaverse for the continuing transformation of journalism in the digital age Handbook of the Metaverse Pan Hui,Peng Yuan Zhou,Lik-Hang Lee,Tristan
