Sources Notable Selections In Race And Ethnicity:

American Ethnicity Adalberto Aguirre, Jonathan H. Turner, 2007 This brief text provides an accessible introduction to the dynamics of racial and ethnic relations After summarizing key concepts and theories the authors develop a simple theoretical framework that guides the presentation of data on each of the prominent ethnic groups in America As a result the book examines each ethnic group from the same perspective allowing students to compare the dynamics of discrimination against African Americans Native Americans Asian Americans white ethnic Americans and Latinos *Hispanics in the U.S Criminal Justice System* Martin Guevara Urbina, Sofía Espinoza Álvarez, 2018-05-07 This updated and expanded new edition resumes the theme of the first edition and the findings reveal that race ethnicity gender class and several other variables continue to play a significant and consequential role in the legal decision making process The book is structured into three sections each of which corresponds to a different body of work on Latinos Section One explores the historical dynamics and influence of ethnicity in law enforcement and focuses on how ethnicity impacts policing field practices such as traffic stops use of force and the subsequent actions that police departments have employed to alleviate these problems A detailed examination of critical issues facing Latino defendants seeks to better understand the law enforcement process The history of immigration laws as it pertains to Mexicans and Latinos explains how Mexicans have been excluded from the United States through anti immigrant legislation Latino officers must cope with structural and political issues the community and media as these practices and experiences within the American police system are explored Section Two focuses on the repressive practices against Mexicans that resulted in executions vigilantism and mass expulsions The topic of Latinos and the Fourth Amendment reveals that the constitutional right of people to be protected against unreasonable searches and seizures has been eviscerated for Latinos and particularly for Mexicans Possible remedies to existing shortcomings of the court system when processing indigent defendants are presented Section Three studies the issue of Hispanics and the penal system The ethnic realities of life behind bars probation and parole the legacy of capital punishment and life after prison are discussed Section Four addresses the globalization of Latinos social control and the future of Latinos in the U S Criminal justice system Lastly the race and ethnic experience through the lens of science law and the American imagination are explored concluding with policy recommendations for social and criminal justice reform and ultimately humanizing differences Written for professionals and students of law enforcement this book will promote the understanding of the historical legacy of brutality manipulation oppression marginalization prejudice discrimination power and control and white America s continued fear about racial and ethnic minorities **Ethnicity and Criminal Justice in the Era of Mass Incarceration** Martin Guevara Urbina, Sofía Espinoza Álvarez, 2017-02-27 ETHNICITY AND CRIMINAL JUSTICE IN THE ERA OF MASS INCARCERATION A Critical Reader on the Latino Experience is designed as a Latino reader in criminal justice covering a much broader spectrum of the Latino experience in criminal justice and society while giving readers a broad overview of the Latino experience in a

single book Considering the shifting trends in demographics and the current state of the criminal justice system along with the current political climate this book is timely and of critical significance for the academic political and social arena The authors report sound evidence that testifies to a historical legacy of violence brutality manipulation oppression marginalization prejudice discrimination power and control and to white America s continued fear about ethnic and racial minorities a movement that continues in the twenty first century as we have been witnessing during the 2015 2016 presidential race highly charged with anti immigrant and anti Mexican political rhetoric A central objective of this book is to demystify and expose the ways in which ideas of ethnicity race gender and class uphold the functioning and legitimacy of the criminal justice system In this mission rather than attempting to develop a single explanation for the Latino experience in policing the courts and the penal system this book presents a variety of studies and perspectives that illustrate alternative ways of interpreting crime punishment safety equality and justice The findings reveal that race ethnicity gender class and several other variables continue to play a significant role in the legal decision making process With the social control from police brutality to immigration discourse reaching unprecedented levels the book will have broad appeal for students police officers advocates activists attorneys the media and the general public

Critical Ethnicity Robert H. Tai, Mary L. Kenyatta, 1999 In *Critical Ethnicity* leading scholars from several disciplines explore the interactions of ethnicity race and education in the United States which are embedded within discussions of diversity multiculturalism and identity politics

Presence Of Mind Pepi Leistyna, 2019-05-20 Taking up the ever shifting cultural and political landscape in the United States *Presence of Mind* addresses how power manifests itself within and across different social and educational terrain covering a number of contemporary topics and polemics that are central to teaching educational theory and practice Pepi Leistyna argues that it is imper

More Than Black G. Reginald Daniel, 2002 In the United States anyone with even a trace of African American ancestry has been considered black Even as the twenty first century opens a racial hierarchy still prevents people of color including individuals of mixed race from enjoying the same privileges as Euro Americans In this book G Reginald Daniel argues that we are at a cross roads with members of a new multiracial movement pointing the way toward equality Tracing the centuries long evolution of Eurocentrism a concept geared to protecting white racial purity and social privilege Daniel shows how race has been constructed and regulated in the United States The so called one drop rule i e hypodescent obligated individuals to identify as black or white in effect erasing mixed race individuals from the social landscape For most of our history many mixed race individuals of African American descent have attempted to acquire the socioeconomic benefits of being white by forming separate enclaves or passing By the 1990s however interracial marriages became increasingly common and multiracial individuals became increasingly political demanding institutional changes that would recognize the reality of multiple racial backgrounds and challenging white racial privilege *More Than Black* regards the crumbling of the old racial order as an opportunity for substantially more than an improvement in U S race relations it

offers no less than a radical transformation of the nation's racial consciousness and the practice of democracy **A Broken Silence** Lena Myers, 2002-02-28 This book addresses the interlocking systems of race and gender in institutions of higher education in America. The study is based on empirical data from African American women of various disciplines in faculty and administrative positions at traditionally white colleges and universities. It focuses primarily on narratives of the women in terms of how they are affected by racism as well as sexism as they perform their duties in their academic environments. The findings suggest that a common thread exists relative to the experiences of the women. The book challenges and dispels the myth that Black progress has led to equality for African American women in the academy. The results of this study make it even more critical that the voices of African American women be heard and their experiences in the academy be expressed. This may be one way to inform academic and lay readers that racism and sexism are not dead **Race and Ethnic Relations** John A. Kromkowski, 1999-02 **Race and Ethnic Relations, 2001-2002** John Kromkowski, 2001-02 This reader of public press articles discusses race and ethnicity in the American legal tradition immigration and the American experience indigenous ethnic groups Hispanic and Latino Americans Asian Americans African Americans the ethnic legacy international challenges for the 1990s and understanding cultural pluralism *Race and Ethnic Relations 2000-2001* John Kromkowski, 2000 This reader of public press articles discusses race and ethnicity in the American legal tradition immigration and the American experience indigenous ethnic groups Hispanic and Latino Americans Asian Americans African Americans and understanding cultural pluralism The Quality and Quantity of Contact Robert M. Moore (III.), 2002-05 Moore sociology Frostburg State U presents 18 contributions that sociologically study facets of the American college experience through the prism of race relations. Often the articles draw from the existing literature original sociological research and personal experience. Topics addressed include white cultural appropriation of hip hop the history of the Black Student Union identifying as both black and gay racial policy views of white college students interaction patterns between white and black students the problems faced by black professors of ethnicity teaching white students the relationship between marginality and social segregation and the interactions of race and gender.
