Theorizing the State Geographically

STATE SOVEREIGNTY AS SOCIAL CONSTRUCT

- Westphalian sovereignty (states exercising ultimate control over territory) no more than an ideal. Does not capture 'actual spatiality of power' (p. 96)
- Limited number of works in Political Geography with a focus on state sovereignty: Agnew and Corbridge (1995), Murphy (1996, 1999), O'Tuathail et al. (1998), Dalby (2002), Kofman (2002), Mountz (2004), Agnew (2004), Marston (2003), Glassman (1999), Sidaway (2002), Newman (2001), Anderson (1996), Agnew (1999), O'Tuathail (2000)
- Focus in 'state as a bureaucracy' rather than in 'states as territorial polities endowed with popular sovereignty' or how the state is constituted or takes on meaning (p. 96)

Sovereignty And Subjectivity

Gustavus Watts Cunningham

Sovereignty And Subjectivity:

Sovereignty and Subjectivity Jenny Edkins, Nalini Persram, Véronique Pin-Fat, 1999 **The God Who Deconstructs Himself** Nick Mansfield, 2010-08-02 No topic has caused more discussion in recent philosophy and political theory than sovereignty. From late Foucault to Agamben and from Guantanamo Bay to the war on terror, the issue of the extent and the nature of the sovereign has given theoretical debates their currency and urgency. New thinking on sovereignty has always imagined the styles of human selfhood that each regime involves. Each denomination of sovereignty requires a specific mode of subjectivity to explain its meaning and facilitate its operation. The aim of this book is to help outline Jacques Derrida's thinking on sovereignty, a theme which increasingly attracted Derrida towards the end of his career in its relationship to subjectivity. It investigates the late work *Rogues: Two Essays on Reason* as not only Derrida's fullest statement of his thinking on sovereignty but also as the destination of his career-long interest in questions of politics and self-identity. The book argues that in Derrida's thinking of the relationship between sovereignty and subjectivity and the related themes of unconditionality and ipseity, we can detect the outline of Bataille's adaptation of Freud. Freud completed his metapsychology by defining the economic nature of subjectivity. In Bataille's hands, this economic theory became a key to the nature of inter-relationship in general, specifically the complex and shifting relationship between subjectivity and power. In playing with Bataille's legacy, Derrida connects not only with the irrepressibly outrageous thinking of philosophy's most self-consciously transgressive thinker but with the early twentieth-century scientific revolution through which energy became ontology. As with so many of the forebears who influenced him, Derrida echoes and adapts Bataille's thinking while radically de-literalising it. The results are crucial for understanding Derrida's views on power, subjectivity and representation, as well as all of the other key themes in late Derrida: hospitality, justice, otherness and the gift. Georges Bataille Benjamin Noys, 2000-05-20 Cover Title Page Copyright Contents Acknowledgements Abbreviations Introduction 1 The Subversive Image 2 Inner Experience 3 Sovereignty 4 The Tears of Eros 5 The Accursed Share Conclusion Notes and References Bibliography Index The God who Deconstructs Himself Nick Mansfield, 2010 No topic has caused more discussion in recent philosophy and political theory than sovereignty. From late Foucault to Agamben and from Guantanamo Bay to the war on terror, the issue of the extent and the nature of the sovereign has given theoretical debates their currency and urgency. New thinking on sovereignty has always imagined the styles of human selfhood that each regime involves. Each denomination of sovereignty requires a specific mode of subjectivity to explain its meaning and facilitate its operation. The aim of this book is to help outline Jacques Derrida's thinking on sovereignty. **Constructing Sovereignty Between Politics and Law** Tanja E. Aalberts, 2012 This book explores the interplay between sovereignty, politics and law through different conceptualizations of sovereignty. Despite developments such as European integration, globalization and state failure, sovereignty proves to be a resilient institution in contemporary international politics. This book investigates both the continuity and change of sovereignty through an

examination of the different ways it is understood sovereignty as an institution as identity as a language game and as subjectivity In this illuminating book Aalberts examines sovereign statehood as a political legal concept an institutional product of modern international society and seeks an interdisciplinary approach that combines international relations and international law This book traces the consequences of this origin for the conceptualization of sovereign statehood in modern academic discourse drawing on key jurisprudence and international treaties and provides a new framework to consider the international significance of sovereignty As an innovative approach to a critical institution *Constructing Sovereignty between Politics and Law* will be of interest to students and scholars of international relations international relations theory and international law

The SAGE Handbook of Political Geography Kevin R Cox, Murray Low, Jennifer Robinson, 2007-12-18 A thorough and absorbing tour of the sub discipline An essential acquisition for any scholar or teacher interested in geographical perspectives on political process Sallie Marston University of Arizona This unique book is a true encyclopedia of political geography Vladimir Kolossov Institute of Geography of the Russian Academy of Sciences and Vice President of the IGU The SAGE Handbook of Political Geography provides a highly contextualised and systematic overview of the latest thinking and research in the field Edited by key scholars with international contributions from acknowledged authorities on the relevant research the Handbook is divided into six sections Scope and Development of Political Geography the geography of knowledge conceptualisations of power and scale Geographies of the State state theory territory and central local relations legal geographies borders Participation and representation citizenship electoral geography media public space and social movements Political Geographies of Difference class nationalism gender sexuality and culture Geography Policy and Governance regulation welfare urban space and planning Global Political Geographies imperialism post colonialism globalization environmental politics IR war and migration The SAGE Handbook of Political Geography is essential reading for upper level students and scholars with an interest in politics and space

Sovereign Lives Jenny Edkins, Véronique Pin-Fat, Michael J. Shapiro, 2004 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company

State and Sovereignty in Modern Germany Rupert Emerson, 1928

Precarious Flânerie and the Ethics of the Self in Contemporary Anglophone Fiction Eva Ries, 2022-06-21 Even though the literary trope of the fl neur has been proclaimed dead on several occasions it still proves particularly lively in contemporary Anglophone fiction This study investigates how fl nerie takes a belated ethical turn in its more recent manifestations by negotiating models of ethical subjectivity Drawing on Michel Foucault s writings on the aesthetics of existence as well as Judith Butler s notion of precariousness as *conditio humana* it establishes a link between post sovereign models of subject formation and a paradoxical constellation of fl nerie which surfaces most prominently in the work of Walter Benjamin By means of detailed readings of Ian McEwan s *Saturday* Siri Hustvedt s *The Blindfold* Teju Cole s *Open City* Dionne Brand s *What We All Long For* and Robin Robertson s *The Long Take Or a Way to Lose More Slowly* this book traces how the ambivalence of fl nerie and its textual representation produces

ethical norms while at the same time propagating the value of difference by means of disrupting societal norms of sameness Precarious Flerie and the Ethics of the Self in Contemporary Anglophone Fiction thus shows that the flerie text becomes a medium of ethical critique in post postmodern times

Bastard Politics Nick Mansfield,2021-02-01 Sovereignty is usually seen as either the assertion of national rights in the face of external challenge or the cruel license of unaccountable power In philosophy sovereignty has been presented as the earthly manifestation of a potentially limitless preexisting power usually belonging to God This divine sovereignty provides a model and the authority for worldly sovereignty Yet divine sovereignty also threatens the human by imagining power as transcendent unquestionable and potentially infinite This infinity makes sovereignty endlessly disruptive and thus potentially infinitely violent Engaging the complexities of sovereignty through the canon of political philosophy from Hobbes to Foucault and Agamben Bastard Politics argues that there is no escaping this ambiguity Nick Mansfield draws on Bataille and Derrida to argue that politics is sovereignty in action In order to deal with the political challenges of the climate change era including the enactment of global justice the future of democracy and unpredictable surges in population movement we must embrace the possibilities of human sovereignty while remaining mindful of its dangers

The Politics of Gender Yoke-Lian Lee,2010-10-18 This new title in the Politics of series addresses the major theme of the politics of gender Chapters on a variety of issues contributed by experts in the field of gender include Human Trafficking and EU Law Gender in International Relations the Gender Politics of Philosophy Political Theory the Construction of Masculinity in Hollywood Movies the Politics of Law and the Politics of Mainstreaming Gender in the Peace and Security Agenda of the African Union An A Z glossary offers supplementary information on key terms with entries including abortion Commission on the Status of Women ecofeminism equal access human rights migration population control and sex tourism

Sovereignty And Subjectivity: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. **Sovereignty And Subjectivity : Colleen Hoover** "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. **Uncover the Best : Taylor Jenkins Reids** "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. **Discover the Magic : Delia Owens** "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. **The Secret History** is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Sovereignty And Subjectivity Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sovereignty And Subjectivity has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sovereignty And Subjectivity has opened up a world of possibilities. Downloading Sovereignty And Subjectivity provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate

access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sovereignty And Subjectivity has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sovereignty And Subjectivity. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sovereignty And Subjectivity. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sovereignty And Subjectivity, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sovereignty And Subjectivity has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sovereignty And Subjectivity Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
