The Gun Debate Philip J. Cook, Kristin A. Goss, 2014-04-01 No topic is more polarizing than guns and gun control From a gun culture that took root early in American history to the mass shootings that repeatedly bring the public discussion of gun control to a fever pitch the topic has preoccupied citizens public officials and special interest groups for

decades The Gun Debate What Everyone Needs to Know delves into the issues that Americans debate when they talk about guns With a balanced and broad ranging approach noted economist Philip J Cook and political scientist Kristin A Goss thoroughly cover the latest research data and developments on gun ownership gun violence the firearms industry and the regulation of firearms The authors also tackle sensitive issues such as the effectiveness of gun control the connection between mental illness and violent crime the question of whether more guns make us safer and ways that video games and the media might contribute to gun violence No discussion of guns in the U S would be complete without consideration of the history culture and politics that drive the passion behind the debate Cook and Goss deftly explore the origins of the American gun culture and the makeup of both the gun rights and gun control movements Written in question and answer format the book will help readers make sense of the ideologically driven statistics and slogans that characterize our national conversation on firearms This book is a must read for anyone interested in getting a clear view of the issues surrounding guns and gun policy in America What Everyone Needs to Know is a registered trademark of Oxford University Press
