Sport And The Color Line:

Sport and the Color Line Patrick B. Miller, David K. Wiggins, 2004-06 The essays presented here examine the complexity of black American sports culture from the organization of semi pro baseball and athletic programs at historically black colleges and universities to the careers of individual stars such as Jack Johnson and Joe Louis to the challenges faced by black women in sports

Sport and the Color Line Patrick B. Miller, 2004

Sport and the Color Line Patrick B. Miller, David K. Wiggins, 2004-06-01 The year 2003 marks the one hundredth anniversary of W E B Du Bois Souls of Black Folk in which he declared that the color line would be the problem of the twentieth century Half a century later Jackie Robinson would display his remarkable athletic skills in baseball s great experiment Now Sport and the Color Line takes a look at the last century through the lens of sports and race drawing together articles by many of the leading figures in Sport Studies to address the African American experience and the history of race relations The history of African Americans in sport is not simple and it certainly did not begin in 1947 when Jackie Robinson first donned a Brooklyn Dodgers uniform The essays presented here examine the complexity of black American sports culture from the organization of semi pro baseball and athletic programs at historically black colleges and universities to the careers of individual stars such as Jack Johnson and Joe Louis to the challenges faced by black women in sports What are today s black athletes doing in the aftermath of desegregation or with the legacy of Muhammad Ali s political stance The essays gathered here engage such issues as well as the paradoxes of corporate sport and the persistence of scientific racism in the athletic realm

The Enduring Color Line in U.S. Athletics Krystal Beamon, Chris M. Messer, 2013-11-12 Sports are an integral part of American society Millions of dollars are spent every year on professional collegiate and youth athletics and participation in and viewing of these sports both alter and reflect how one perceives the world Beamon and Messer deftly explore sports as a social construction and more significantly the large role race and ethnicity play in sports and consequently sports influence on modern race relations This text is ideal for courses on Sport and Society as well as Race and Ethnicity

Sports and the Racial Divide Michael E. Lomax, 2011-03-11 With essays by Ron Briley Michael Ezra Sarah K Fields Billy Hawkins Jorge Iber Kurt Kemper Michael E Lomax Samuel O Regalado Richard Santillan and Maureen Smith This anthology explores the intersection of race ethnicity and sports and analyzes the forces that shaped the African American and Latino sports experience in post World War II America Contributors reveal that sports often reinforced dominant ideas about race and racial supremacy but that at other times sports became a platform for addressing racial and social injustices The African American sports experience represented the continuation of the ideas of Black Nationalism racial solidarity black empowerment and a determination to fight against white racism Three of the essayists discuss the protest at the 1968 Olympic Games in Mexico City In football baseball basketball boxing and track and field African American athletes moved toward a position of group strength establishing their own values and simultaneously rejecting the cultural norms of whites Among Latinos athletic achievement

inspired community celebrations and became a way to express pride in ethnic and religious heritages as well as a diversion from the work week Sports was a means by which leadership and survival tactics were developed and used in the political arena and in the fight for justice *African Americans in Sports* David K. Wiggins,2015-03-26 This two volume set features 400 articles on African Americans in sports including biographical entries as well as entries on events tournaments leagues clubs films and associations The entries cover all professional amateur and college sports such as baseball tennis and golf

The African American Experience Arvarh E. Strickland,Robert E. Weems Jr.,2000-11-30 Compared to the early decades of the 20th century when scholarly writing on African Americans was limited to a few titles on slavery Reconstruction and African American migration the last thirty years have witnessed an explosion of works on the African American experience With the Civil Rights and Black Power movements of the 1960s came an increasing demand for the study and teaching of African American history followed by the publication of increasing numbers of titles on African American life and history This volume provides a comprehensive bibliographical and analytical guide to this growing body of literature as well as an analysis of how the study of African Americans has changed *The Routledge History of American Sport* Linda J. Borish,David K. Wiggins,Gerald R. Gems,2016-10-04 The Routledge History of American Sport provides the first comprehensive overview of historical research in American sport from the early Colonial period to the present day Considering sport through innovative themes and topics such as the business of sport material culture and sport the political uses of sport and gender and sport this text offers an interdisciplinary analysis of American leisure Rather than moving chronologically through American history or considering the historical origins of each sport these topics are dealt with organically within thematic chapters emphasizing the influence of sport on American society The volume is divided into eight thematic sections that include detailed original essays on particular facets of each theme Focusing on how sport has influenced the history of women minorities politics the media and culture these thematic chapters survey the major areas of debate and discussion The volume offers a comprehensive view of the history of sport in America pushing the field to consider new themes and approaches as well Including a roster of contributors renowned in their fields of expertise this ground breaking collection is essential reading for all those interested in the history of American sport **Press Box Red** Irwin Silber,2003 Annotation Foreword Jules Tygiel Acknowledgments 1 The Daily Worker Starts a Sports Section 2 Growing Up in Brooklyn 3 A Communist in the Press Box 4 Jim Crow Must Go Part 1 The Daily Worker s Campaign to Break the Color Line in Organized Baseball 5 Jim Crow Must Go Part 2 And the Walls Came Slowly Tumbling Down 6 The Impact of Baseball s Integration 7 The Ballplayers and the Communist 8 Boxing The Brutal Sport and the Class Angle 9 Hoop Dreams 151and Scandals Postscript Bibliography Index *Sport and Social Systems* John W. Loy,Barry D. McPherson,Gerald S. Kenyon,1978 *From Jack Johnson to Lebron James* Chris Lamb,2016 The campaign for racial equality in sports has both reflected and affected the campaign for racial equality in the United States Some of the most significant and publicized

stories in this campaign in the twentieth century have happened in sports including of course Jackie Robinson in baseball Jesse Owens Tommie Smith and John Carlos in track Arthur Ashe in tennis and Jack Johnson Joe Louis and Muhammad Ali in boxing Long after the full integration of college and professional athletics race continues to play a major role in sports Not long ago sportswriters and sportscasters ignored racial issues They now contribute to the public s evolving racial attitudes on issues both on and off the field ranging from integration to self determination to masculinity From Jack Johnson to LeBron James examines the intersection of sports race and the media in the twentieth century and beyond The essays are linked by a number of questions including How did the black and white media differ in content and context in their reporting of these stories How did the media acknowledge race in their stories Did the media recognize these stories as historically significant Considering how media coverage has evolved over the years the essays begin with the racially charged reporting of Jack Johnson s reign as heavyweight champion and carry up to the present covering the media narratives surrounding the Michael Vick dogfighting case in a supposedly post racial era and the media s handling of LeBron James s announcement to leave Cleveland for Miami

Diversity and Social Justice in College Sports Dana D. Brooks,Ronald C. Althouse,2007 Each of the well researched chapters in this comprehensive volume makes a singular contribution to understanding the complexities of diversity and social justice in college sports Chapters are grouped into sections that address major components Historical Analysis Social Justice and Cultural Concerns African American Coaching and Other Leadership Opportunities Media Media Images and Stereotyping Intersection of Race Sport and Law Sport Administration Management Intersection of Race Class and Gender Looking Toward the Future This volume makes a valuable contribution to the literature on American sports
