is still reeling from the death of his best friend's girlfriend who was murdered as she slept in his bed. There's no doubt that she was in the wrong place at the wrong time and paid the ultimate price. With the identity of the hitman still unknown, a cloud lingers over Rocco, dulling his judgment and leaving this anti-hero exposed to other threats. For Rocco has stepped on one too many people's toes over the years, namely the mafia that is still being rooted out in the small Alps town of Aosta. To complicate matters, the kidnapped teenager that Rocco saved has not fully recovered. But all is not as it appears with that family. Her mother, father, and boyfriend are all running some sort of farce that Rocco can't easily crack. And now he must grapple between these two parallel investigations and find answers once and for all before one too many skeletons come after him.

**How to Murder the Man of Your Dreams** Dorothy Cannell, 2012-03-14 Life has been hectic in the Haskell household, but a lull in household affairs should allow Ellie time enough to slim down, pick up the threads of her interior design career, and kick the romance reading habit that keeps her from her marital boudoir. But murder rears its ugly head when the body of the Chitterdon Fells librarian is found sprawled among the library stacks. The only positive side of the untimely demise is the arrival of male romance cover model Karisma, come to town to strut his tawny mane and sun-bronzed muscles for a fund-raiser in the late lamented librarian's name. But when hunky Karisma's entourage is poisoned and the spouse of a Library League newlywed dies mysteriously, fantasy life careens toward a collision course with reality. Ellie must find a clever killer before she meets a sinister and decidedly unromantic fate. Fizzing with deadly wit and outrageous secrets, *How To Murder The Man Of Your Dreams* is a mystery to swoon for.

**Murder at Green Springs** J.K. Brandau, 2007-12-01 The cautionary true crime shocker of Virginia's Elizabeth Hall and one of the most sensational trials of an accused murderess since Lizzie Borden. On an April morning in 1914, Victor Hall was murdered in his store at Green Springs Depot. It was only hours after his competitor's business had been torched. The Louisa County sheriff, state investigator, and railroad detectives suspected Hall's rival, one of a dozen men with viable motives. Then gossip spread that Victor's wife, Elizabeth, had poisoned her first husband. Coupled with more sordid rumors, the unfounded accusations became irresistibly salacious headlines, whipping the state of Virginia into a frenzy for seven months. Friends and neighbors perjured themselves to become part of the front-page story. And as Hall's own Pinkerton detective turned against her in the same mad rush to judgment, the widow found herself trapped in a nightmare that was just beginning. A century later, J.K. Brandau, husband of Elizabeth Hall's great granddaughter, finally unearths the timely and tragic story in which truth didn't stand a chance against the most public, lurid, and sensational lies.

**Spring Cleaning** Liz Strange, 2017 David may have caught his toughest case yet, solving a fifty-year-old murder. David Lloyd has always cherished the assistance of his former police colleagues, so he can hardly refuse when one calls in a favour. But a murder fifty years cold may prove to be his most difficult case yet, especially with a victim that has never been identified. After a chance viewing of an old photograph, the investigation suddenly has new leads, taking David back to the past and into the realm of a savage serial killer. Can he finally crack the case and give a young woman the justice
