The Dandelion Clock:

The Dandelion Clock Guy Burt, 2011-01-25 I used to think that perhaps everything that was happening to me my whole life was just a memory As if one moment I could be eleven and playing in the sun and the next I might wake up somehow and find I was old and dying and the day when I was eleven was just a bright clear memory Alex is an artist preparing for an exhibition to mark the peak of his career His life seems ordered and complete but an impulsive trip back to the Italy of his childhood forces him to explore the unresolved questions of his past There in those seemingly innocent days as he swam and played and explored the wild countryside with Jamie and Anna Alex must surely find the key to so much of his later life He has to experience again his first friendship with Jamie and his first love for Anna and to put together the pieces of a story which brought the three of them together more closely than they could understand with a bond which seemed innocent but which resulted in tragedy In this disturbing new novel Guy Burt explores the darker side of childhood love and friendship and the fear and pain of growing up Of Guy Burt's first novel *After The Hole* the critics wrote A scintillating d but Burt's will be a name to watch Daily Mail Compulsively sinister first novel The Times Insidiously brilliant The Independent

The Dandelion Clock Ursula Bloom, 1966 *The Dandelion Clock* Sarah Key, 2018 *The Dandelion Clock* Rebecca Bryn, 2023-05-16 Families torn apart by the Great War Can promises be kept When war is declared in August 1914 Bill is plucking up his courage to ask his sweetheart Florrie to marry him Bill and Florrie's dreams are dashed when Bill is sent to fight in Gallipoli Egypt and Palestine taking with him a horse Copper volunteered for service by the 7th Duke's young daughter Lady Alice Bill makes promises before he leaves to marry Florrie and to bring his beloved warhorse home safe to Lady Alice While Bill fights Turks and Germans in appalling conditions Florrie fights her own war with rationing poverty the loss of her menfolk and her father's drunken temper As WW1 proceeds fearful and with her resilience faltering her feelings of self worth plummet and she turns to her dandelion clocks for reassurance He lives He lives not He loves me He loves me not When Bill returns to England six months after the armistice in November 1918 both he and Florrie have been changed by their personal journeys Has their love survived their wartime romances spending five years apart and the tragedies they've endured Can Bill keep his promises to Florrie and Lady Alice An insight into the military history of the 1914-1918 war as fought by the Royal Buckinghamshire Hussars and the Queen's Own Worcestershire Yeomanry some of the PALS brigades At first thought not real soldiers by the regular army the Royal Bucks and the Worcester Yeomanry fought with great courage and suffered huge losses In fact the Worcesters sustained more losses than any brigade in any war and the PALS earned the respect of all those who fought with them Although Military Fiction it is a story inspired by real people and based on real events that doesn't forget the role of strong women in the Great War or their need for a wartime romance love where they could find it Bryn is without doubt one of the best writers of historical fiction writing in English today In *The Dandelion Clock* you will not just read about the horrors of war you will live them in all their stark reality Frank Parker author of *Called to*
