The Deadly Shore:

Deadly Shore Andrew Cunningham, 2015-08-14 When It s Terrorist vs Hurricane Everybody Loses It s July 5th and the Cape Cod roadways are clogged with tourists heading home from the holiday weekend and trying to outrun an approaching potentially catastrophic hurricane But in the blink of an eye their lives are thrown into chaos when terrorists bring down all of the bridges to the Cape Instantly a half million terrified people have no way to escape And when the terrorists threaten to release anthrax on the captive population if their demands aren t met fear turns to all out panic With time running out Marcus Baldwin a private investigator and former CIA operative and Sara Cross a disgraced ex homicide detective are brought together by a sole clue to the identity of the terrorists They quickly realize that they may be the only ones with even a chance of stopping the plot before it s too late With Category 4 Hurricane Chad barreling up the coast on a path for a direct hit on Cape Cod it becomes frighteningly clear to everyone trapped on what has now become an island one way or another they are probably all going to die By the author of the Amazon bestselling thriller **WISDOM SPRING** **The Deadly Shore** James Pattinson, 1999 Nobody knew what caused the explosion that sent the M V Southern Pioneer to the bottom of the Pacific Ocean For Matthew King the chief officer the disaster was an opportunity to regain a command of his own even if was only in an open boat with nine other men and three women **The Scottish Minstrel** Robert Archibald Smith, 1824

and Greek Manteghi provides a profound new contribution to the study of the Alexander romances Beautifully written and with vibrant literary motifs this book is important reading for all those with an interest in Alexander classical and medieval Persian history the early Islamic world and classical reception studies
