## **The Death Collectors:**

The Death Collectors Jack Kerley,2006-05-02 More than thirty years ago artist and serial killer Marsden Hexcamp was shot to death in an Alabama courtroom by a deranged fan Days later grisly evidence from his crimes vanished But among underground collectors of the macabre his art lived on Today a prostitute s body found in a motel room is the first in a series of ghastly tableaus paying tribute to Hexcamp s unspeakable talents The discovery will lead homicide detectives Carson Ryder and Harry Nautilus is into the shocking world of the Death Collectors where madness is an art and murder is the most beautiful act imaginable **The Death Collectors** ,2008-03 **The Death Chronicles II** J.E. Taylor,2021-04-10 Death is the family business but not one I want to pursue Thankfully it s been passed down from father to son for generations so it should skip over me as Death s daughter Then I won t have to stop being alive and can actually live my life Right Well the reapers don t agree And neither do the angels One thinks I m destined to take over the other believes I will destroy existence Both want me dead to match their own agendas I have an agenda of my own and Leviathan who has sworn to protect me But once my family and friends start being targeted the family business while grim might be the only choice I have to save those I love The Death Chronicles II includes the following titles Grim s Daughter Finding Death Reap the Dead Kissing Fate

impersonators of his likeness Ted Harrison offers nothing less than the ultimate Elvis tribute Harrison begins of course in pilgrimage to Graceland He shows how Elvis s estate was pillaged nearly to ruin by his manager but was saved through the deft business acumen and financial vision of his divorced wife one Priscilla Presley If Graceland seems holy that s because it is Harrison unveils in Elvis s allure a deeply spiritual dimension showing how Elvis fans over the decades have anointed their idol with Christ like qualities Through Elvis s extravagance Harrison raises fascinating links between money and faith and through Elvis s life he shows how the King actually fulfilled a host of roles ranging from hero to martyr to saint Underpinning the whole story is Elvis s extraordinary charisma and lest we forget his astonishing musical genius Fascinating colorful and deeply informative this book is a must have for any fan anyone who was ever lucky enough to see Elvis alive or who hopes they might still be able to
