The Devils Double:

The Devil's Double Original Book, (which was made into a feature film of the same name, This Book Sold Over 6.7 Million Copies Worldwide in Twenty Languages.) Latif Yahia, *THE DEVIL'S DOUBLE* is the first of 3 autobiographical books chronicling Latif Yahia's incredible life story. It vividly describes how Latif was forced to become Uday Hussein's fidai body double and gives a unique insight into the extreme extravagance and cruelty of the Saddam regime. Latif survived assassination attempts and witnessed Uday's psychotic temper, rapes, orgy parties, torture atrocities and sadistic murders. The book has recently been made into a highly acclaimed movie *THE BLACK HOLE* which gives a fascinating account of what happened to Latif in Europe after he escaped from Iraq. How he was treated by western governments and the CIA. How Uday sought revenge on Latif and vice versa. How he was offered a British passport by Saudis to murder a dissident and how they beheaded Latif's Saudi princess lover. How Latif made and lost a fortune. How he strived in vain for a peaceful life and survived 4 more assassination attempts. *Forty Shades of Conspiracy* brings Latif's story right up to date by detailing his time in Ireland. His run-ins with drug dealers, corrupt Irish Garda officers and Irish politicians who continually denied him Irish citizenship. His despair as a beggar on the streets and the happiness he found after he met the love of his life. His reaction to Uday and Saddam's deaths and his opinion on the current political situation in Iraq all makes fascinating reading.

Book Description In 1987 Latif Yahia was taken to Saddam's headquarters to meet Uday, Saddam's eldest son, and told that a great honour had been bestowed upon him: that because of the great likeness between them, he had been chosen to be Uday's double. For many Iraqis it would have been the highlight of their lives, but for Latif, a peace-loving man who did not agree with Saddam's brutal regime, it was not. He refused. Following a week of torture and realising he would be killed if he continued to refuse, Latif was forced to accept the role. After a gruesome training programme during which he was made to watch over thirty films of torture, hours of tapes of Uday, and undertake a final remodelling of his appearance, Latif was deemed ready. But it was only after the final test, a meeting with Saddam himself, that Latif made his first public appearance. And so began his life as Uday's double: a life on the perimeter of the inner circle of Saddam's eldest son, a witness to the horror of his insane life of debauchery, excess and brutality, and an experience for which he almost paid with his life on more than one occasion.

him for the US and the UK intelligence services in return for citizenship of the respective country what I ask is this If a man is willing to sell women to a man that he knows to be a sadist if he is willing to sell his country and himself is it not then conceivable that he will sell his soul and say anything for money I have paid a high price for my refusal to co operate with the intelligence services the CIA in particular after twenty years in the West I am still stateless I cannot return to Iraq because the new Government consider me a colaborator of the Hussein regime although while they were in opposition to Saddam they found my book to be a useful tool against him and his regime Saddam while in power considered me a traitor I do not regret my decision to leave Iraq or write my story but I have not found the Western governments to be as open and democratic as they were portrayed to us in the Middle East In my search for a new counry to call home I have found that those whose story is a fabrication are given the protection of the state as they are no threat money is their only goal in life so they will not rock the boat while I who have an opinion and voice it openly that is probably my biggest problem am ignored refused and while not told to leave am not made especially welcome either I am tolerated I do not nor did I ever seek fame I have not made money from my story and if I do it will go to charity It amuses me how the tables turn when Saddam was in power my book was held up in the US Congress and given as a reason for Saddam s removal now that Saddam is gone those that once used my story for their benefit have tried to denounce me I have been interviewed by the world s biggest and best names over 1 800 TV Print and Radio journalist s who do their research and know who to ask for opinion the old guard who took pride in their work and valued their reputation While there are still some true journalists out there many work to order if their editor wants a specific story they make it true or not there is no oversight Although it was never my intention this book has been used as propaganda for the War on Iraq my intention when I wrote it was to open the eyes of the world to the horrors and atrocities committed by the regime and to spur the Iraqi people into action It will always disturb me that the Iraqi people never had a chance to participate in The Arab Spring and depose Saddam and his regime themselves It may be a very different place today if they had had the chance to do so Best regards to all Latif Yahia The Word ,1910 **Satan's Rhetoric** Armando Maggi,2001-09 Reading innumerable treatises on demonology written during the Renaissance including Thesaurus exorcismorum the most important record of early modern exorcisms Maggi finds repeated attempts to define the language exchanged between the fallen progeny of Adam and the most notorious fallen angel of them all Satan Using points of departure taken from de Certeau and Lacan Maggi shows that Satan articulates his language first and foremost in the mind More than speaking the devil tries to make human beings understand his language and speak it themselves THE DEVIL'S DOUBLE Michael Thomas,2011 *Literature and Theology* Heather Walton,2011 This book explores current trends in the interdisciplinary study of literature and theology an area of academic activity that has developed dramatically in the past twenty years and brings together the work of leading scholars in the field with that of emerging voices Offering an important resource for the growing number of postgraduate courses exploring the relation between religion and culture in

Russian Literature and Its Demons Pamela Davidson, 2000 Merezhkovsky's bold claim that all Russian literature is to a certain degree a struggle with the temptation of demonism is undoubtedly justified. And yet despite its evident centrality to Russian culture the unique and fascinating phenomenon of Russian literary demonism has so far received little critical attention. This substantial collection fills the gap. A comprehensive analytical introduction by the editor is followed by a series of fourteen essays written by eminent scholars in their fields. The first part explores the main shaping contexts of literary demonism: the Russian Orthodox and folk tradition, the demonization of historical figures and views of art as intrinsically demonic. The second part traces the development of a literary tradition of demonism in the works of authors ranging from Pushkin and Lermontov, Gogol and Dostoevsky through to the poets and prose writers of modernism including Blok, Akhmatova, Bely, Sologub, Rozanov, Zamiatin and through to the end of the 20th century.

Broadway Actors in Films, 1894-2015 Roy Liebman, 2017-02-20 Many Broadway stars appeared in Hollywood cinema from its earliest days. Some were 19th century stage idols who reprised famous roles on film as early as 1894. One was born as early as 1829. Another was cast in the performance during which Abraham Lincoln was assassinated. One took her stage name from her native state. Some modern day stars also began their careers on Broadway before appearing in films. This book details the careers of 300 performers who went from stage to screen in all genres of film. A few made only a single movie, others hundreds. Each entry includes highlights of the performer's career, a list of stage appearances and a filmography.
