## The Generation That Will Not Pass Away

The illustration intends no disrespect toward the memories (or families) of these unwitting victims - victims of a long line of failed predictions by the Watchtower Bible & Tract Society. It showcased them on this cover to an entire world as evidence that the generation alive in 1914 would not die off before the end of this system of things. Would this failed prediction be Watchtower's final attempt?

## True? You Decide!
