The Giant Germ:

The Giant Germ Anne Capeci, Joanna Cole, 2000 When Keesha discovers mold on her sandwich the class takes off on a tour of the mini microbe world and they learn first hand that these little creatures can have huge effects Ms Frizzle proves that there is always more than meets the eye in this gigantic adventure Illustrations *The Giant Germ* Eva Moore, 2001-01-01 After Keesha discovers mold on her sandwich Ms Frizzle and the class embark on an adventure into the mini microbe world where they discover that these tiny creatures have big effects **The Giant Germ(CD1□□□)(Magic School Bus Science Chapter Book #6)(□□□)** Joanna Cole, 2006-08-01 *Quarterly Journal of Microscopical Science* ,1919 *Primary Education* ,1918 **The Anatomical Record** ,1923 *Pamphlets on Biology* ,1914 *The Record of Zoological Literature* ,1920 **The Faithful Spy** Alex Berenson, 2006-04-25 A well crafted page turner that addresses the most important issue of our time It will keep you reading well into the night Vince Flynn A New York Times reporter has drawn upon his experience covering the occupation in Iraq to write the most gripping and chillingly plausible thriller of the post 9 11 era Alex Berenson s debut novel of suspense *The Faithful Spy* is a sharp explosive story that takes readers inside the war on terror as fiction has never done before John Wells is the only American CIA agent ever to penetrate al Qaeda Since before the attacks in 2001 Wells has been hiding in the mountains of Pakistan biding his time building his cover Now on the orders of Omar Khadri the malicious mastermind plotting more al Qaeda strikes on America Wells is coming home Neither Khadri nor Jennifer Exley Wells s superior at Langley knows quite what to expect For Wells has changed during his years in the mountains He has become a Muslim He finds the United States decadent and shallow Yet he hates al Qaeda and the way it uses Islam to justify its murderous assaults on innocents He is a man alone and the CIA still reeling from its failure to predict 9 11 or find weapons of mass destruction in Iraq does not know whether to trust him Among his handlers at Langley only Exley believes in him and even she sometimes wonders And so the agency freezes Wells out preferring to rely on high tech means for gathering intelligence But as that strategy fails and Khadri moves closer to unleashing the most devastating terrorist attack in history Wells and Exley must somehow find a way to stop him with or without the government s consent From secret American military bases where suspects are held and interrogated to basement laboratories where al Qaeda s scientists grow the deadliest of biological weapons *The Faithful Spy* is a riveting and cautionary tale as affecting in its personal stories as it is sophisticated in its political details The first spy thriller to grapple squarely with the complexities and terrors of today s world this is a uniquely exciting and unnerving novel by an author who truly knows his territory

Chapter 1 ShinChan s Misadventure Begins It was a bright sunny day in Kasukabe and ShinChan was up to his usual antics He had just finished his breakfast which involved more cereal on the floor than in his mouth and was running around the house causing chaos as usual ShinChan stop making a mess yelled his mother Misae from the kitchen Mom I m not making a mess I m just preparing for my new adventure ShinChan shouted back grabbing his backpack and slinging it over his shoulder His sister Himawari was sitting quietly playing with her toys but she was about to be dragged into his plans whether she liked it or not ShinChan where are you going Himawari asked blinking her big innocent eyes I m going on a mission Himawari A mission to save the world from germs ShinChan declared dramatically striking a superhero pose Germs What are you talking about Himawari looked confused I ll tell you There s a new store in town and it s called Touchland They sell the most magical thing in the world hand sanitizers that can save us all from the evil germs lurking everywhere ShinChan said jumping excitedly Hand sanitizers Himawari blinked trying to process what her brother had just said Yes yes I have to get to Touchland before the Germ King takes over Kasukabe ShinChan said as he rushed to the door Chapter 2 Touchland The Store of Magic ShinChan along with Himawari in tow finally arrived at the new store Touchland The store was bright and colorful with shelves full of sparkling hand sanitizers in every shape and color imaginable Some looked like fruit others like sparkling potions and there were even bottles shaped like superheroes As they entered the store the friendly store clerk greeted them Hello Welcome to Touchland How can I help you today ShinChan grinned mischievously We are here to stop the evil Germ King and make sure that Kasukabe stays safe The store clerk raised an eyebrow clearly confused Germ King Are you are you here for our new special sanitizer the Super Power Cleanser Yes That one It will help me defeat the Germ King and I ll be the hero of Kasukabe ShinChan yelled with confidence The clerk chuckled and handed ShinChan a small bottle that sparkled with a rainbow glow This is our best product It s so strong it can even banish the most stubborn germs ShinChan proudly held the bottle like a treasure and marched out of the store But just as he was about to exit he spotted a huge poster on the wall with a drawing of a scary giant germ wearing a crown The Germ King There he is ShinChan pointed dramatically We have to stop him before he spreads germs everywhere Chapter 3 The Germ King Strikes That afternoon after a quick snack and more cereal mishaps ShinChan gathered his friends Kazama Nene and Bo at the park to begin his germ fighting mission They all sat around the picnic table listening to ShinChan explain his plan So you want us to help you fight the Germ King by using hand sanitizer Kazama asked skeptically Exactly ShinChan said with enthusiasm We need to be prepared Kazama you bring your cool headband Nene you bring your attitude and Bo you bring your um strength Bo smiled and flexed his muscles ready for the adventure Bo can do it The gang marched through Kasukabe their spirits high But just

as they passed by the park fountain something strange happened A giant shadow loomed over them It was the Germ King a huge slimy creature made of floating glowing germs He was holding his crown a giant toothbrush and a wicked grin spread across his germy face Ahh The heroes of Kasukabe think they can stop me with a little bottle of hand sanitizer the Germ King sneered Chapter 4 The Showdown ShinChan stood tall gripping his bottle of Super Power Cleanser You re going down Germ King he declared and with a dramatic swish he sprayed the sanitizer all over the air The Germ King laughed but to his surprise the sanitizer made his body start to shrink What is this This this can t be ShinChan s friends jumped into action Kazama threw a ball of clean cotton Nene sprayed a disinfectant spray she d found and Bo just stood there looking confused The Germ King who had shrunk to half his size started to retreat This isn t over You may have won this round but there are more germs in the world than you can imagine The gang cheered as the Germ King disappeared into a puff of smoke leaving only a few harmless germs behind Chapter 5 The Victory Back at the park the kids celebrated their victory We did it ShinChan exclaimed Kasukabe is safe from germs and we re the heroes Kazama shook his head grinning I can t believe it but we really did save the day And I m not even sick Nene added inspecting her hands with pride Yeah And my mom said I could eat cookies because I saved the world ShinChan cheered as he ran home his friends trailing behind him Epilogue The New Normal From that day forward the kids of Kasukabe became the guardians of cleanliness making sure that everyone had a bottle of Touchland in their bag to stop the evil germs from taking over And though the Germ King was gone they always remembered the importance of staying safe and clean And of course ShinChan kept up his usual mischief but at least he had a good excuse for all that hand sanitizer
