## **The God Symposium:**

*The God Symposium* Ed Draugelis, 2005 Joe Cameron an oil magnate multimillionaire cashes in all his assets to assemble an elite group of scholars scientists religious leaders and theorists to debate the eternal question Is there a God The conference of luminaries aptly named The God Symposium is held in a renovated seminary in Michigan The symposium attracts a wave of media as well as a few international hit men reaching as far as the Vatican to try to silence several of the participants from revealing their findings At risk are a Dominican nun with her biblical findings on Jesus sexuality a Muslim Shiite professor with his liberal views on Muhammad s role as prophet and a Nobel laureate renowned for his research in both science and philosophy Even with the most heightened level of security by an ex CIA and secret service agent murders ensue This novel teaches preaches and reaches all levels of intellect and religion while delivering suspense that challenges the world s belief systems Author Ed Draugelis brings his expertise and research in science and religion to the highest level so that the reader will close this book with a clearer understanding of such concepts as the big bang and the final theory Jesus undefined sexuality and the Old and New Testaments **BOOK JACKET** Symposium Plato, 2021-01-13 The Symposium is a philosophical text by Plato dated c 385 370 BC It depicts a friendly contest of extemporaneous speeches given by a group of notable men attending a banquet The men include the philosopher Socrates the general and political figure Alcibiades and the comic playwright Aristophanes The speeches are to be given in praise of Eros the god of love and desire The God Who Is Beauty Brendon Thomas Sammon, 2014-09-25 In the beginning was beauty and beauty was with God and beauty was God If the tradition of divine names that in its Christian form originates with Dionysius the Areopagite and includes among its ranks Albert the Great Thomas Aquinas and others is correct in identifying God with the name beauty then repurposing the Prologue to John s Gospel in this way seems hardly controversial For if beauty is a divine name then not only is it fitting to say God is beautiful but it is equally fitting to say that God is beauty itself However like most arguments from fittingness that is to say arguments whose veracity derives from the congruency proportion or harmony between the various elements of a proposition or idea rather than from some categorically higher or univocally determinate logical necessity the simplicity of its utterance stands in stark contrast to the complexity of its intelligible content It is the aim of the present work is to explore what it means to say that beauty is a divine name **Perspectives on the Philosophy of William P. Alston** Heather D. Battaly, Michael P. Lynch, 2005-04-06 One of the most influential analytic philosophers of the late twentieth century William P Alston is a leading light in epistemology philosophy of religion and the philosophy of language In this volume twelve leading philosophers critically discuss the central topics of his work in these areas including perception epistemic circularity justification the problem of religious diversity and truth Together with Alston s vigorous responses these articles make significant new contributions to the literature and will be of interest to a wide range of philosophers and students In addition the volume contains a comprehensive introduction and overview of Alston s work and a complete bibliography of his

publications     **Platonism in English Poetry of the Sixteenth and Seventeenth Centuries** John Smith Harrison,1903 Explains in a purely critical method the nature of the influence of Platonism upon English poetry of the 16th and 17th centuries exclusive of the dramas themselves     The Forum ,1929 Current political social scientific education and literary news written about by many famous authors and reform movements     **Year Book of the Central Conference of American Rabbis** Central Conference of American Rabbis,1916 Containing the proceedings of the convention     *Unity* ,1927     The Standard ,1928     **Plato's Trial of Athens** Mark A. Ralkowski,2018-11-29 What can we learn about the trial of Socrates from Plato s dialogues Most scholars say we can learn a lot from the Apology but not from the rest Plato s Trial of Athens rejects this assumption and argues that Plato used several of his dialogues to turn the tables on Socrates accusers they blamed Socrates for something the city had done to itself Plato wanted to set the record straight and save his city from repeating her worst mistakes of the 5th century Plato s Trial of Athens addresses challenging questions about the historicity of Plato s dialogues and it traces Plato s critique of Athenian public life and polis culture from the trial in 399 up through the Laws and the Atlantis myth in the Critias and Timaeus In the end Ralkowski shows that what began as a bitter response to the unjust politically charged trial of Socrates evolved into a pessimistic reflection on the role of philosophy in a democratic society a theory about Athens 5th century decline and cautionary tale about the corrupting influences of naval imperialism
