The God Who Believes Christian D. Kettler, 2005-09-01 How does one deal with doubt Are faith and doubt irreconcilable Does one's understanding of God affect the answers to these questions Christian Kettler investigates these questions from a christological perspective drawing implications from the Scottish theologian T F Torrance and his doctrine of the vicarious humanity of Christ If we take the humanity of Christ seriously should we not speak of the faith of Jesus as a vicarious faith believing for us and in our place when it is difficult if not impossible to believe How Christians know God Jesus Knows God for Us and in Our Place who God is Who is the God Whom Jesus Knows and how to believe in God in a world of suffering and evil Providence Evil Suffering and the God Who Believes receive new insight in light of this christological exploration Wendell Berry's poignant novel of a humble country barber Jayber Crow adds an incarnational context to a discussion with important pastoral and existential dimensions In the vicarious faith of Christ we are not left as James Torrance cautions us to be thrown back upon ourselves but called to participate by the Spirit in the faith of Jesus

Jesus and the God of Israel Richard Bauckham, 2013-09-01 God Crucified and Other Essays on the New Testament's Christology of Divine Identity The basic thesis of this important book on New Testament Christology sketched in the first essay God Crucified is that the worship of Jesus as God was seen by the early Christians as compatible with their Jewish monotheism Jesus was thought to participate in the divine identity of the one God of Israel The other chapters provide more detailed support for and an expansion of this basic thesis Readers will find not only the full text of Bauckham's classic book God Crucified but also groundbreaking essays some of which have never been published previously

Blood Beneath the Snow Alexandra Kennington, 2026-01-06 A heart pounding romantasy following a rebellious princess who must compete to the death against her siblings for the crown to ensure justice while fighting her feelings for her country's most powerful enemy by debut author Alexandra Kennington Revna is no stranger to struggle As the only member of the royal family without a magical ability she is seen as an embarrassing mistake by her kingdom and a blight on her bloodline Luckily Revna has found family in other outcasts in her kingdom But when her two closest friends lives are put in danger she is determined to save them by any means necessary no matter the cost The Bloodshed Trials a competition where the last sibling in the royal family standing takes the throne might just be the ultimate price Revna turns down her arranged marriage and commits to competing for the throne only to be kidnapped by the mysterious and terrifyingly powerful Hellbringer the general of her country's greatest enemy He has the ability to rend souls with the flick of his wrist and is every inch as intimidating as the war stories say he is But Revna wonders if there may be some humanity left in him especially when he reveals there are other parties who want her on the throne for their own secret reasons

Jesus's Identification with the Marginalized and the Liminal Bekele Deboch Anshiso, 2018-05-06 The first century Judaic understanding of the identity and nature of the Messiah has been a much debated topic among biblical scholars and preachers alike So too has the messianic identity and nature of Jesus himself Bekele Deboch informs these debates with fresh evidence outside the traditional scriptural references to miracles and supernatural identifications by demons and God himself as well as earthly identification by human beings With thorough narrative criticism and analysis of contemporaneous literature this book brings insightful new conclusions that transform our understanding of the biblical messianic identity revealed in the person of Jesus Jesus not only self identified with the marginalized and liminal but also experienced extreme marginality himself to the point of shameful death on a tree Jesus church around the world has the responsibility to herald his messianic identity and salvation to the marginalized of today Bekele Deboch has followed Christ's example of walking with the marginalized and makes here a powerful case for the church to do the same
