

The Golden Rule:

Do unto Others as You

Would Have Them Do Unto You

The Golden Rule

Jeffrey Wattles

The Golden Rule:

The Golden Rule Jeffrey Wattles, 1996-12-05 In an age plagued by selfishness materialism and violence ethicists feel impelled to find a universal system of values To arrive at such a rule requires that they struggle with a series of seemingly irreconcilable questions First are universal values possible in a pluralistic world and how does one do justice to both human equality and to individual and cultural differences How is one to understand the interface between religious moral teachings and the ethics of secular humanism Finally can such a system integrate moral intuition and moral reason In the first scholarly book in English on the golden rule since the seventeenth century Jeffrey Wattles demonstrates how a clear understanding of the psychological philosophical and religious ramifications of the rule can form the synthesis needed to solve these dilemmas The golden rule do to others as you would have others do to you is widely assumed to have a single meaning shared by virtually all the world's religions It strikes the average person as intuitively true though most modern philosophers reject it or recast it in more rational form Wattles surveys the history of the golden rule and its spectrum of meanings in diverse contexts ranging from Confucius to Plato and Aristotle from classical Jewish literature to the New Testament He also considers medieval Reformation and modern theological and philosophical responses and objections to the rule as well as how some early twentieth century American leaders have tried to use the rule Wattles draws these diverse interpretations into a synthesis that responds at the psychological philosophical and religious levels to the challenges to moral living in any given culture Emotionally the rule counsels consideration for others feelings by asking that you place yourself in their shoes Intellectually it activates moral thinking about what is fair At the same time it retains a spiritual appeal as the principle of the practice of the family of God Demonstrating how despite its contentious history this age old ethical principle continues to be relevant in dealing with contemporary issues The Golden Rule should interest students and scholars working in religious studies philosophy and ethics and psychology as well as anyone looking for an alternative to postmodern cynicism and alienation

The Golden Rule, Or, The Royal Law of Equity Explained ... John Goodman, 1688 Ethics and the Golden Rule Harry J Gensler, 2013-05-20 It is commonly accepted that the golden rule most often formulated as do unto others as you would have them do unto you is a unifying element between many diverse religious traditions both Eastern and Western Its influence also extends beyond such traditions since many non religious individuals hold up the golden rule as central to their lives Yet while it is extraordinarily important and widespread the golden rule is often dismissed by scholars as a vague proverb that quickly leads to absurdities when one attempts to formulate it in clear terms In this book Harry J Gensler defends the golden rule and addresses all of the major philosophic objections pointing out several common misunderstandings and misapplications Gensler first discusses golden rule reasoning and how to avoid the main pitfalls He then relates the golden rule to world religions and history and to areas like moral education egoism evolution society racism business and medicine The book ends with a discussion of theoretical issues like whether all morality reduces to the golden

rule which the author argues against Ethics and the Golden Rule offers two introductory chapters the first is simpler and the second more technical a reader may start with either or both One can then read any combination of further chapters in any order depending on one's interests but Chapters 13 and 14 are technical and assume one has read Chapter 2 This is a golden rule book for everyone accessible to a wide readership

The Golden Rule H. T. D. Rost, 1986-01-01 This book looks at the Golden Rule as it is variously expressed in each of the major religious systems in the world today

The Golden rule readers. Manners and morals Golden rule readers, 1898

The Golden Rule, 1846 *The Golden Rule; Or, "Do to Others as You Would Have Others Do to You."* Rule, 1876

The Golden Rule Ilene Cooper, 2019-10-01 Bestselling author John Green provides a foreword to this deluxe edition of the beloved classic With a gorgeous new package and a foreword from bestselling author John Green the deluxe edition of *The Golden Rule* spreads the message of kindness to a new generation But what does it really mean And how do you follow it A grandfather explains to his grandson that the Golden Rule means you treat people the way you would like to be treated It's golden because it's so valuable and a way of living your life that's so simple it shines The book reveals versions of the Golden Rule found in many cultures and religions including Christianity Judaism Buddhism and Islam Following the Golden Rule is something everyone can do which means that every person old or young rich or poor can help make the world a better place

The Golden Rule, 1848 *The Golden Rule Series* Elias Hershey Sneath, 1914

My Experience with the Golden Rule James Cash Penney, 2012-05-01

The Simple Little Rule Mike Ellerkamp, 2017-06-29 All over the world and within all cultures and religions a profound tenet exists that supports a common connection among all peoples In one phrasing or another the spiritual principle known as the Golden Rule has been taught for centuries Do unto others as you would have them do to you In *The Simple Little Rule* The Golden Rule Rediscovered author Mike Ellerkamp shares his spiritual philosophical and historical journey as he brings to life once again this simple yet profound rule Not only showing how the Golden rule became the centerpiece of philosophical teaching throughout the world in a specific historical moment in time Ellerkamp expands on the Golden Rule with five supporting principles that enhance and enrich our lives as professed through the ages principles of Wisdom Justice Moderation Courage and Discipline In today's world climate it is more important now than ever for us to rediscover this simple little rule And because embracing the Golden Rule can change our present perceptions and motivate us to work to change our own futures it makes the Golden Rule a simple little rule so powerful it could even change the world

The Golden Rule, 1850

The Golden Rule George Dana Boardman, 1900

The Golden Rule and the Classroom Clash Hudson Area Library Foundation, 2025-10-31 When Mr Richard leaves his desk for spring break the office supplies come alive and not everyone plays fair One restless night Red Marker plays a trick by doodling on Glue and blaming Pencil Soon the whole desk is in chaos Glue drips on Pencil Stapler clamps Notebook Thumbtack pokes Eraser Scissors snip Pencil's tip and Rubber Band tangles up Scissors Even Sticky Note gets scribbled on With tempers flaring Ruler steps in to restore order When Mr Richard

returns he reminds his Desk Friends of an important lesson the Golden Rule treat others the way you want to be treated Told with humor and heart and brought to life with vibrant illustrations this playful story helps children learn kindness respect and empathy through the familiar objects of a classroom desk Perfect for schools story time and families who want to spark meaningful conversations about how we treat one another A special project dedicated to the memory of Dick Whitcomb who lived his life guided by dignity humility and the Golden Rule Hudson s Golden Rule Initiative strives to promote civility respect and understanding in our daily interactions by encouraging the practice of the Golden Rule throughout Greater Hudson

The Golden Rule in Business Arthur Nash,1923 **Remember the Golden Rule** Brant Parker,Johnny Hart,1971 **The Golden Rule and the Games People Play** Rabbi Rami Shapiro,2015-10-27 Does the Golden Rule matter It depends on the game We have to shift the game before we can promote the Rule This is why teaching morality alone is insufficient Educating our children in the Golden Rule without teaching about finite and infinite games and zero sum and nonzero worldviews is a waste of time Doing so would be like teaching them the rules of chess while insisting they play only checkers from Chapter 10 Play Different This provocative and challenging exploration of the Golden Rule widely accepted as humanity s moral true north neither praises the Rule uncritically nor naively insists that it is applicable in every situation Rather it looks critically at the Rule in the context of game theory to see where it works and where it doesn t when it is applicable and when it isn t It shows you why knowing the difference can offer you a powerful way to transform your life from one driven by fear to one driven by love This philosophical game changer is written for people of all faiths or none who praise the Rule and yet violate it over and over again It invites you into the fascinating world of ethical decision making in a way that helps you use the Golden Rule as a fulcrum for shifting your life from often unethical competition to compassionate and even loving cooperation
