ANNABEL AND EDGAR JOHNSON

The Danger Quotient

Institution of Mining Engineers (Great Britain)

The Danger Quotient:

The Danger Quotient Annabel Johnson, Edgar Johnson, 1984-01-01 A super genius in a small underground colony of survivors of nuclear war eighteen year old Casey risks journeying back to the twentieth century to discover why the survivors are dying and how he can save them all

The Danger Habit Mike Barrett, 2009-01-21 You've been called adrenaline junkie thrill seeker permanently out of the box difficult and just plain crazy And mostly it's true Whether you show your radical streak in extreme sports supercharged business ventures or high risk relationships you have a full blown danger habit As far as you can tell you were born with it And honestly you wouldn't have it any other way Except when your danger habit betrays you Then your craving for adventure turns into a magnet for disaster You leave a trail of broken commitments and unwise decisions You get trapped in stupid addictions You hurt the ones you love And you end up feeling like a big mistake But what if you were created extreme for a purpose What if the radical faith God has in mind for you doesn't have to come with a dark side What if it actually turned out to be your ultimate rush In his fast paced book *The Danger Habit* surfer and lifelong adventurer Mike Barrett explores the mindset of born radicals and the promise of what he calls adventure faith He combines personal story telling raw honesty and biblical wisdom in a reading experience that will capture your imagination and motivate you to reach for your huge life mission in Christ

Story Behind the Book I caused significant pain to my own wife and kids while struggling with an addiction to risk the pursuit of extreme sports and an overwhelming feeling of being bored with many Christians and standard church life My epiphany came a number of years ago when God broke through it all and showed me how propped up my life was without His real presence and power In the end we sold our suburban home moved to the Oregon Coast and started a ministry to surfers Countless lives were changed my wife and I even became pastors Once dead to the life I had pursued God gave me back an adventure I could never have previously dared hope for Mike Barrett

The Leadership Quotient Bill Service Ph.D., Dave Arnott Ph.D., 2006-03-23 Now there is a formula for leadership the LQ Like the Intelligence Quotient and the Emotional Quotient that preceded it The Leadership Quotient contains verifiable dimensions of leadership that are designed to improve every leader's performance The Leadership Quotient makes the complex simple by fitting the 12 dimensions of leadership into a framework of leader follower and environment The Leadership Quotient makes the three components measurable and practical for the reader The nature vs nurture argument is over There is general agreement that effective leaders are prepared by nature and refined by nurture The need for improved leadership has never been greater as witnessed by corporate scandals world tumult and economic morass The failure of ethical moralities and the dumbing down of education give clarion calls for the type of improved leadership available through the application of LQ principles The Leadership Quotient is thoroughly researched by two leadership experts who combined have 37 years of practical business leadership 45 years of formal education and 25 years of teaching leadership at the university level Yet the book is accessibly written for leadership practitioners The LQ is years of comprehensive research

packaged in a simplified formula for immediate application
